INNER CITIES UNITY CONVENTION  
EXECUTIVE & SUB-COMMITTEE  
MEMBERS STATEMENT

**Preface to the First Edition**

"The full fruit of a labor of love lives in the harvest, and that always comes in its right season..." Pg.XXI Sixth Edition

We cannot change the nature of the addict or addiction. We can help to change the old lie "Once an addict, always an addict," by striving to make recovery more available. God, help us to remember this difference. Pg.XXIV Sixth Edition

Just for today, you never have to use again!

The Inner Cities Unity Convention ICUC has worked tirelessly through a group conscious to bring an annual convention to the still suffering addict, newer and older member in the Twin Cities of Minnesota. To this end our gratitude speaks volumes in dedicating this convention to the NA fellowship, more importantly the predecessors who has shown us a way up and a way out. That "an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. Our message is hope and the promise of freedom. When all is said and done, our primary purpose can only be to carry the message to the addict who still suffers because that is all we have to give." pg.68 Sixth Edition
