Dear ASC, I would like to say thank you for letting me serve, as most of you know this is my last month as your Chair, it has been an honor. Due to my recent move to Alexandria, I will be unable to continue to be part of the Back 2 basic area service committees, at this time. My service to this area has been of great benefit for me, and will miss it. However, I am Co- Chair for MNNAC 17, so you have not seen the last of me yet. My hope is that B2B will continue to grow and thrive in the years to come and that everyone continues to work at carrying the message to the addict that still suffers. It has been my pleasure to work with all of you. I would also like to say a special thanks to Kari for having the agenda ready at area and helping to make my job easier. Keep up the great work all of you. My recommendation for your next chair would be Jay S. He has been working beside me the last couple of months and has been a great help. And I believe he would be a good chair for B2B, with his knowledge and experience. Once again thank you for letting me be of service. In Loving Service,

Tammy G.
