CHAIRPERSON REPORT

Dear ASC,

Thank you to Fairmont for hosting area today, however, as area chairperson, I am placing Fairmont on a 6 month suspension from hosting area. February will be the first month of eligibility to host area again. This is due to the unavailability of the building on time today.

Our treasurer could not attend ASC today so no checks will be given out. This could be avoided with an Assistant treasurer, hint hint. If you are in need of a check or reimbursment, please leave and address with our secretary to where that money can be sent.

in loving service,

Jessica

SECRETARY REPORT

Dear ASC,

First I would like to apologize for minutes not getting sent out until very late. I had a couple people I was waiting on to submit there reports. I would ask that all committee members have there reports either written or typed up before area. Also there was a couple reports that I found that I did not have. Please make sure to turn those in. Thanks

In anyone of the committee's are planning on having a workshop during open format, could you please have a report on what you plan on discussing so it can be included in the minutes.

Thanks for allowing me to serve,

Steven B.

H&I REPORT

Hello Area,

We got our supplies. Josh is moving so we need a literature coordinator. JJ gave me lists for people to sign up to be speakers, for the New Ulm medical center. Please sign up.

I don't know if I am giving H&I all it needs as president. I would like someone to take my place if it is possible. Medical issues are my reason for this.

In grateful loving service,

Bridgette

PI REPORT

Hello fellow addicts,

I do not currently have new meeting lists printed but will have next week (so you can call or e-mail me if you despritaly need some) also we will be doing 500 without contact numbers for institutional use. It is strongly recommended that you use these for jail, probation and parole offices, and treatment centers. We will be working on the PI presentation project in Windom and the next meeting of that project team will be Aug. 23 at 6pm at the meeting place. We (the PI committee) will be working to develop an area wide survey to use for our PI presentation's.

Dan

OLD BUSINESS

-Asst Treasurer is still open.. No nominations. Please take back to your groups.

-Albert Lea hosting area in August. Flyers are available

-Mankato hosting area in Sept.

NEW BUSINESS

-H&I chairperson position is open. No nominations, take back to your groups

- Discussion on effectiveness of B2B yahoo groups page, who is using it, and wether to keep it running. Agreed to send out the link to everyone to get them the opportunity to check it out or sign up for those who haven't. Discuss next month again.

-PI Discussion

We need 5 willing addicts (and I mean willing not just interested) to produce the PI project in Windom. This project team will take about 1-2 hours of time per month and will involve contacting people by phone and mail, finding place to meet, training for the actual panel presentation (panel presenters should have at least 6mo clean preferably over 1yr) to learn and practice how to respond to professional's and there questions about NA.

It will be a great project to be involved with and hopefully will serve as a model for other projects to come.

In loving service,

Dan S. PI chair
