Policy: open position

Activities:

The lock in went well with about 20 attendees, mostly teens. Thanks to Jessiah, Todd, Rick, Brandon, and everyone else who helped that night and morning. Josh P. stayed and DJ'd until 2:30, and provided sound for the movie projector, which I had totally forgotten about. I paid him \$30, all the money I had left, for his help. I spend about \$80 on groceries for the breakfast, but there was a lot left over so in the morning I returned what I could to HyVee – for about \$36. Also the addicts who attended donation about \$18 for the breakfast.

I regret to say that this money, which was stored in an envelop on a shelf in my kitchen, was discovered missing on Wednesday January 18th. I would like to request a bank bag that can be locked, or maybe a savings account where I can more safely store the money in between meetings and activities.

The next planned activity is after the area meeting on February 18th – we will be buying pizza and playing games in the lodge during skiing at Mount Kato. I would like to request a check to pay for the pizza and some munchies and desserts.

Public Information: No report handed in

Outreach:

How is your subcommittee doing, changes in business, structure, etc?

Not much to report. We were supposed to meet at 12:30 today, but that did not happen. The outreach chair hadn't been filled in months, so it will take some time to get things going again. However Annalin & Scott got some good work started in the Ad Hoc committee.

Where does your subcommittee meet & what time of day?

12:30 before area

Any needs you have from the B2B?

We will be making motions

Other comments: So I am working on getting together with them and setting forth a plan of action. We will be meeting at 12:30 every area so if you'd like to help or want more information about outreach and how we work, please come to next month's meeting in Cleavland or call me at 420-5671

Thanks for letting me be of service,

Darcy

Ad-Hoc:

How is your subcommittee doing, changes in business, structure, etc?

P.I. information has been passed on. The P.I. people are looking for volunteers. Contact Terry S. if interested.

Policy is still updating word errors.

Where does your subcommittee meet & what time of day?

Subcommittee meets at 11 a.m. the same day and location as area.

Any needs you have from the B2B? Committed Volunteers

Newsletter:

The newsletter committee did not meet this month, but will meet at the scheduled time in February at the next area at 12:00 p.m.

The January newsletter is here today. Please take them back to your groups. We were able to print 650 copies for \$149.33.

We gave a few articles left over from last issue and at the request of MNNAC, we will discuss at our next meeting the possibilities of printing an issue geared toward MNNAC 13.

Please come to the next newsletter meeting if you would like to get involved.

Thanks for allowing me to serve

Shane

MNNAC XIII

How is your subcommittee doing, changes in business, structure, etc?

The MNNAC Committee will be having meetings more often. The time is short the next 2 ½ months. The committee needs volunteers now.

Average attendance: 20

Where does your subcommittee meet & what time of day?

1st Sunday of the month- Feb. every other Sunday

March-every Sunday

Any needs you have from the B2B?

To encourage for volunteers at the convention and now, to encourage registration of the convention.

Anything you would like to do for the B2B?

Attract people to recovery through the convention, make B2B visible to NA Community by having a great convention.

Other Comments:

B2B area requested members to bid for this convention the committee has done a wonderful job to date. However volunteers are deficiently still needed at the convention and now. Ticket and Registration & Convention information needs people to help with the mailings and convention registrations. Contact Amy N. or any committee member present today, including myself. Dan S. programming will possibly be in need of a marathon meeting for a group of addicts to chair this meeting. Possible in sharing of reading for a group or addicts during main event.

Convention Guide and Huggers need people for the greeting or welcome of addicts to the convention, also be a guide for people to meetings-Terry. Last comment- again to reiterate registration need to be done – volunteer wanted.
