Dear B2B,

Nov. 17, 2007

Thanks to Faribault for hosting and the good food and fellowship to follow.

Thanks to all the hard work and patience at last month's area meeting. We successfully filled many of our open positions and added a co-chair position. We still have Outreach and Activities open, so let's get those filled and start being of service to our fellow addicts. That's all for me. Looking forward to a great meeting and fellowship.

In Loving Service,

Darcy

PANEL COORDINATOR REPORTS

Nicollet Co. Jail- Terry S.

The meeting is going well. We are trying to go to once a week within the facility. Trying to get the administration to allow people with DWI's to attend meetings.

Freeborn Co.- Joe B.

The meeting is going well, we've changed to a panel presentation. We also need to get more females from the fellowship involved.

NUMC- Steve S.

It's going well. Very successful of late.

Blue Earth Co. Jail- Jordy

The meeting is going great. The facility is buying the literature, easing the burden on the sub-committee, and the inmates seem to be desirous of recovery. Addicts do show up at meetings after they are released. As always, we need more female volunteers from the fellowship.

St. Peter-C.A.R.E.- Dan Z.

The first meeting went well for the most part. We will be experimenting with different formats until we find the right one for the facility. We will continue the dialogue with the facility's coordinator, Christine to find what works best.

Watsonwan Co. Jay S.

The meeting goes well, when we have one. Attendance has been low, or non-existent.

Woodstock- New Life Treatment center- Shane S.

The meeting is going well, we are always looking for people to come and share their experience, strength and hope.

After the reports we had a very good discussion on all of the meetings, what's working, and shared ideas on ways to make things work better. All in all it was a very productive meeting of the sub-committee.

Thanks for the support

Dan Z. H&I Chair.

Public Relations: Public information met today we have a day set for a "learning day" March 19. We discussed other possible locations that we could possibly have catering delivered so we can keep cost down. Our committee is also looking at letter formats for the event. In loving service, Public Relations
