<http://www.central.naminnnesota.org/pdf/rsc10oct-min.pdf>

We need to appoint a person to be accountable for Meeting list updates.

Our area will need to appoint a publisher to approve content going up on the Regional website.

A FSTP member from the region will do one on one training (½ hr.) with our selected "Publisher".

I Need contact information for all groups to facilitate the updating of the regional meeting lists; Group contact name e-mail, address and phone#.

I also need contact information for all of our Areas Trusted Servants: Position, First Name, Last Name, Phone, e-mail.

Our Regions Helpline is still in need of volunteers- there are no volunteers from our area. There are links to information on our "Service page. FST members from the region are willing to hold a Helpline workshop/orientation in our area if we want them to.

Please list all group, area, regional, and world service positions you've held that you consider relevant to the position to which you are nominated. Please include the positions served within the past five years and approximate dates of service for each position.

NA Tue. Night It Works... I have held all positions and fulfilled my obligations. I now serve as secretary.

NA No excuses women's group... I have held all positions and fulfilled my obligations. I now serve as the "Special Worker".

I have done 9 years of service towards my fellow recovering addicts.

If you have not completed a term or have been removed from a position in the last five years, please explain.

I have always been very involved and I have stepped up to all in need.

What resources do you believe you can bring to the position to which you were nominated?

I have a strong desire to carry a clear (NA) message to all who are fighting this disease.

What life experiences (i.e. school, work, volunteer, etc.) have you had that you believe will help you serve in the position to which you were nominated?

I am a dedicated speaker at which I enjoy carrying the messages. I enjoy helping others in their transportation needs by getting them to meetings and to their personal appointments at which will help them to be a productive member in society.

I love to put on picnics and I am very involved in our Freedom Campout. I am very open to what others have to say and by being open I feel that this helps me grow in this program of recovery. I also make sure we always have coffee☺

Have you read the attached letter and are you willing to make the necessary commitment?

Yes, I have and I have adjusted my work schedule so I can fulfill my duties. I take my service work very seriously and all that I do comes straight from the heart.
