

Halloween 10/28/2022

Report submitted by Robin E.

Games/Prizes

15 Trick or Treat bags with candy and goodies were handed out to all the kids. The kids were asked to walk in a parade rather than a costume contest. Cost was donated. Leftover Vermilion items were also used.

DJ Dean hosted the adult costume contest and additional games.

1 Vermilion Hoodie for 1st place costume contest and 1 baseball shirt for 2nd place.

Also from Vermilion were 6 mugs and 2 lidded jars as well to give as prizes for other games.

Food & Refreshments

The original plan was to serve walking tacos. However, the price of bags of chips would have been \$36 where tortillas were only \$7.96 for 80 so it made financial sense to go with regular tortillas.

We sold 2 tacos, 1 small Halloween cookie, and 1 can of soda for $\$5.00 \times 40 = \$200 - 144 = \$56$ profit

Since I knew we only had enough for 40 meals, I printed off 40 numbered tickets to be sold at the admission table. This was a good choice as the food servers were busy.

Marvella, Rochelle and Rebecca managed serving all the food. We knew we needed to control the amount of meat cheese used so Marvella dished out the meat and cheese onto each tortilla, added a cookie, choice of soda, and the customer added the extras as desired.

Could have served a 3rd jar of jalapenos. Plates, cups, forks, coffee, creamer, sugar, napkins, stir sticks & table cloths were all from storage unit supplies on hand.

At no charge we set out individual packaged snacks leftover from Vermilion, 48 count large bakery cookies from Sam's, and served punch also left over from Vermilion. We also set out ice water in pitchers. Coffee was also served.

3 large bags of ice were donated. (Thanks Marvella & Jim)

Cub Foods

2 Heads of Lettuce	5.98
2 Red Bell Peppers	3.98
2 Yellow Onions	3.98
