

H&I Report ~ 2/16/08

My fellow addicts, greetings from H&I. I am proud to report that we are successfully going into the St. Louis County Jail. We are also going into Woodland Hills Children's Home, NERCC, and on occasion to Liberalis. I know that the folks in Int'l Falls are doing what they can up there as well. I know that our subcommittee isn't running the way that it should be, with all of the positions not filled but hey, I think we are doing well with what we have. We are building our name back up slowly but surely.

I know I have talked about the region doing a learning day. We are going to unite with the Lakes Area sometime soon to help make this happen. The learning day will be held on the same day as everyone's in the state which is why we are going to combine areas. It will also help show unity.

Today, H&I needs to make a literature order and I am not sure if I need the areas approval but I do need a check I am assuming? Could I please have some direction on this? Thanks.

Lastly, I want everyone to think about this...My term is up in April and I will not be taking another term. Sorry but I need to take care of myself. I will be willing to help in any way possible though and I will continue to go into the places I have volunteered to go into. Thanks everyone.
