Greetings from the Chair

First, I would like to thank you for entrusting me with this position. Please have patience with me as this is my first Area as Chair. Remember Area is a potluck so any dish you bring is appreciated. Always remember to practice our spiritual principles so we may fulfill our primary purpose to carry the message to the addict that still suffers. Please contact me if you are willing to show up early to help me set up.

What does each Group need to do before the ASC?

1. Review the attached agenda and supporting documents. Each GSR/GSRA has some homework to do before arriving at the ASC. Those tasks are listed as "Preparation" under each agenda item.
2. Help the GSR/GSRA to understand the Group's position on all agenda items.
3. Because new ideas and additional information may be brought to the ASC from various members, the Group may want to allow its GSR/GSRA some leeway in casting his or her vote and entrusting the GSR/GSRA to use his or her best judgment in carrying the group conscience.
4. Ask your GSR/GSRA to bring to the ASC any questions or concerns raised by the Group.
5. Should the Group need a question answered prior to the ASC, contact Marvella at or send an email to: info.nl@naminnesota.org

Bring along your spiritual principles, your patience, and your sense of humor. Let's make it a productive and enjoyable meeting and keep our primary purpose in mind.

In Loving Service,
Austin M.
