

INDOOR WINTER CAMPOUT

Come join us for the annual indoor winter campout & fundraiser/awareness event for the Northern Lights Area of Narcotics Anonymous annual Vermilion Campout. Funds raised will go towards helping to fund admission to the campout for the newcomer.

Bring your tents, pillows, blankets, sleeping bags, harmonicas, guitars, flashlights, cards, games, snacks and flashlights. We'll create an environment with all the excitement of camping but without the cold, the mosquitoes or the bug spray. In the morning, we'll be serving up some warm North Shore pancakes for you to enjoy.
