Regular ASC 2:00 to 5:00

Greetings from the Chair

BOO!!!!!!!
Happy Halloween
to all you recovering
ghouls & goblins.

Just for Today I am grateful that my life is so full. Being busy means that I haven't lost my job, my family, my friends, and my ambitions. Before coming to NA the only thing I could do to fill my day was get high and nod out. No one would hire me and I wasn't willing to keep searching for a job. My family wouldn't answer their door to me and the only time my phone rang was when a bill collector was trying to hunt me down. Today my life is so full that I have to be careful not to overbook my day.

None of that, however, makes it okay that I was unable to distribute the 2nd draft of the proposed changes to the ASC guidelines in time to mail out an advance copy with this call. My sincerest apologies.

I do promise to have the final draft mailed the week following the ASC to allow plenty of time for each group to review and send their representative to the November ASC ready to vote on the final proposal. It is my sincere desire to have our new guidelines in place before our new officers are elected in January. It will make for a better transition and allow the new executive committee to focus on fulfilling our goal of more effectively carrying the NA message to the addict who still suffers. I look forward to seeing all of you on Saturday.

In loving service,

Robin E. (715) 392-4626
