11-12:15pm Vermilion Committee meeting
12:30-4:30pm AREA Service Meeting*

Greetings from the Chair

Hi my name is Lindsey and I am an addict.

It's that time again for us to get together and do service work for the Northern Lights AREA. So come and see what ALL the fun is about!!!!

For all you **GSR's** please remember to review the **GSR Preparation List**.

Remember that Area is a potluck so bring a dish if you can! If you have any questions or are willing to come early to help set up please contact me. Thanks everyone!

Its Budget Time. Our Treasurer will be bringing the proposed budget that our budget committee created for review. Also, we will be having a special presentation about CAR, Conference Agenda Report.

What does each Group need to do before the ASC?

1. Review the attached agenda and supporting documents. Each GSR/GSRA has some homework to do before arriving at the ASC. Those tasks are listed as "GSR Preparation List" also attached.
2. Help the GSR/GSRA to understand the Group's position on all agenda items.
3. Because new ideas and additional information may be brought to the ASC from various members, the Group may want to allow its GSR/GSRA some leeway in casting his or her vote and entrusting the GSR/GSRA to use his or her best judgment in carrying the group conscience.
4. Ask your GSR to bring to the ASC any questions or concerns raised by the Group.
5. Should the Group need a question answered prior to the ASC, contact Sue J. at nlanachair@gmail.com or send an email to: info.nl@naminnesota.org

Bring along your spiritual principles, your patience, and your sense of service. Let's make it a productive and enjoyable meeting and keep our primary purpose of carrying the message in mind.

Thank you for letting me be of service,
Lindsey H
