12:30-4:30pm AREA Service Meeting

Greetings from the Chair

Hi my name is Lindsey and I am an addict.

It's time for Area again. Last time we began to create an annual timeline for what events/projects we would like to have each year. I know we can get that finished up this time so that we can ensure we have a great number of FUN events for our members to take part in. Also, we have the position of Web Publisher open so let everyone know that is interested in some Area service work. There are a number of really good projects going on so it should be interesting to hear reports from all the Project Managers. I believe there may be more created this Area as well. I have noticed there are a lot of new faces involved in service at the individual meetings and at Area. Let's keep this trend up. Fresh faces means fresh ideas and excitement to our fellowship.

*Project Managers – please remember to come prepared with a report (emailing a copy to our secretary is much appreciated).

Bring something for the potluck

What does each Group need to do before the ASC?

1. Review the attached agenda and supporting documents. Each GSR/GSRA has some homework to do before arriving at the ASC – have business meeting, complete group report form and bring to Area.
2. Help the GSR/GSRA to understand the Group's position on all agenda items.
3. Because new ideas and additional information may be brought to the ASC from various members, the Group may want to allow its GSR/GSRA some leeway in casting his or her vote and entrusting the GSR/GSRA to use his or her best judgment in carrying the group conscience.
4. Ask your GSR to bring to the ASC any questions or concerns raised by the Group.
5. Should the Group need a question answered prior to the ASC, contact Sue J. at nlanachair@gmail.com or send an email to: info.nl@naminnesota.org

Bring along your spiritual principles, your patience, and your sense of service. Let's make it a productive and enjoyable meeting and keep our primary purpose of carrying the message in mind.

Thank you for letting me be of service,
Lindsey H
