

Web Publisher Report 12-7-13

Greetings Northern lights ASC. I don't have much to report. I have been uploading documents to our website as I receive them. I'm also adding our ASC & Vermilion meetings to the calendar on www.naminnesota.org. I'm going to look into restructuring our File Cabinet a bit in an attempt to simplify where our information is so it will be easier to locate what you are looking for. I will continue to upload new information as I receive it. Thank you for trust in allowing me to serve our ASC as your Webmistress.

In loving service,

Val D.
