MNNAC XX Programming Committee Minutes

The committee is moving right along. We seem to have all the major decisions completed. The speakers have all been confirmed. We have finalized the attached convention agenda for review and approval by the main committee. We need Registration and Merchandise to provide us with their hours of operation to include on the spreadsheet.

The committee would like Hotels & Hospitality and Entertainment to join us at our January 20th meeting to discuss details of the floor plan arrangements, equipment requirements, etc.

We invite all who are interested to join us at our December 16th meeting where we will finalize our workshop speakers and the workshop topics for approval at the January main committee meeting. Feel free to email Marcia at wouldnorthbetrue@yahoo.com with any suggestions for topics or workshop speakers.

We are working on setting up a power point memorial presentation during the main event. We would have a station set up for people to enter in names and their sentiments and play it back interspersed with NA sayings and set to music. We want to ask Arts & Graphics if they would like to head this up.

Robin will make flight arrangements for the three main speakers and submit for reimbursement. Sue will reserve the hotel rooms.
