

## **Convention Information Committee Report**

**April 2, 2012**

There has been no activity with this Committee. There is no activity required of this committee until May/June 2012 at which time the committee is required to contact NA Way and NA.org with Convention Information.

I will send out notice of intent to hold Sub-Committee meeting in May. We will begin by brainstorming ideas for sending out notices of convention.

In Service,  
Bryan Johnson  
Convention Information Chair
