

MNNAC XX Arts & Graphics Committee Meeting: 8-2-12

Those present were: Rachel & Jitterbug

Due to where our meeting falls on the calendar, there was no MNNAC meeting since the last time this committee met. Therefore, we really had no new business or concerns to discuss. We really just met as a formality for the sake of those who may have wanted to participated and shown up... so someone would have been there when they arrived.

Next meeting is Aug. 7th, 2012 and because that is the weekend of Vermilion, we will be meeting there at 7PM in the main lodge for all those who would like to attend. We will then resume the usual meeting place at Star of the Sea thereafter.

In loving service,
