## Why Register?

The money collected from registration is used to pay for the hotel facilities we use during the convention, as well as all other convention expenses. We believe once participants understand that the fees from registration help to make this event possible and the registration collected are used for planning of present and future

conventions, the question "Why Register?" will be answered. Your registration entitles you to attend scheduled events that don't require a ticket.

# April 13-15, 2012

It doesn't matter what or how much we used. In Narcotics Anonymous, staying clean has to come first. We realize that we cannot use drugs and live. When we admit our powerlessness and our ability to manage our own lives, we open the door to recovery.
