Dear SWMNNA,

My name is Zach L, I am the GSR for Friends in Recovery group of Narcotics Anonymous in Montevideo MN.

We meet on Friday nights at Our Saviors Lutheran Church at 7:30PM. Our group has about 10-12 regular members and a few new comers each week so attendance on average is anywhere from 10-12 people per meeting. We would like to make sure that our meeting is listed on website meeting list and any handouts that are distributed by the area with meetings listed. I will not be able to attend the area meeting this coming Sunday, but our group would like to make a donation to the Area. Please find enclosed a check in the amount of \$70.

Thanks,

Zach L
