Thanks to everyone who helped with the speaker jam i understand it went very well. I'm reading a letter from Pam s regarding her payment plan. Since then we have received two 50.00 dollar payments from Pam that I have turned over to the treasurer for deposit. She said she will continue to make \$50.00 payments each week until paid in full. Balance today is \$173.00.

We were going to back to the groups and asking if they are in support of submitting A Bid for Area to host the CAR event. What happens, is the area votes on submitting a bid then it goes to the region and the region decides which bid they will go with then submit a bid to the world.

Old Business 7 GSR'S voted for submitting for our Area. 1 voted we co host with the TCA. 0 abstentions. Bruce will be working with Laron to prepare things for bid. Bid is due in August.

The budget is up for review please bring back to your groups. This is what we have been using. Talk with groups and come back next month.
