

OUTREACH FLYER CONTEST

Brought to you by the SSFA Outreach Committee

To raise awareness of NA meetings and the hope of finding recovery while creating unity with your home group this contest will run for three months, starting in December.

HOW IT WORKS:

- Post the “Drug Problem? How we can help” flyers each month in several public locations ****only with permission granted from the business ****
- After posting, take a “selfie” with the flyer and then submit entries one of the two ways listed below (include group name):
 - o email the outreach email address ssfaoutreach@gmail.com
 - o text message to outreach chair 651-675-8985
- Group that submits the most “selfies” with flyers posted each month will win one BASIC registration to MNNAC for a group member. We will have a winner for December, January, and February.

REMINDERS:

- Always ask permission prior to posting the flyer
- Do NOT damage property in the process of posting
- You are representing Narcotics Anonymous
- Please work a program of recovery and stay honest with your submissions
