

PIG Committee Meeting Minutes

February 7, 2013

Meeting opened at 6:00 PM by PIG Chair, Brad S.
9 in attendance.

Open Forum

1. Motion to approve the minutes made by Brad, seconded by Melissa.
2. Brad asked for opinions on the focaccia bread or rolls. We decided on the Focaccia
3. Brad asked where we were on merchandises. Kori said she had calls into Awada and 2 others.

4. Brad made executive decision to make the call on the merchandise since he has the Awada pricing. He has price list. We will get them for $\frac{3}{4}$ the price of last year. We will order 70 before PIG and 70 to sell at PIG. The reason we ran into the problems with shirts last years is we ordered to many choices. Melissa Erica and Brad all have the e-mail with prices.

Brian asked if Angie and Kori had both girls and guys one color each tanks and t's. They had researched both, but Kori was waiting for a call back from Awada on pricing. We had caps and bookmarks also. Kori gave the info to Brad.

Erica asked if we would sell more if the shirt colors were solid rather than tie-die that was chosen by Brad. Every year we have had a tie-dye so do we still want one shirt tie-die?

Kori has asked around and not everyone wants a tie-die.

Erica suggested go with Grey and tie-die for girls and guys so everyone is happy.

Sizes will be ... Brad will talk to AWADA tomorrow

Brad said hats would say PIG 29. Brian brought up having NA logo on it. Must have the registered mark on it or we cannot sell it any other NA functions.

Mike asked how we are doing on speakers for PIG. Brad has someone in mind but hasn't asked them yet. He asked if Angie was speaking on Sunday? She will be asked when she gets to the Area Meeting. We are still looking for another speaker.

5. Best price Brad got on a roaster was \$159 from F-M. Can we get away with only one? Price quoted from Hwy 55 Rental. They are located not quite to Hamel just past Plymouth. Kori asked if gas price come into play. Next year is the 30th Anniversary and he was thinking of having a rotisserie Pig. Keep in mind there is a 40% loss of meat when you cook a pig.

6. Spaghetti Feed: Brian is going to run cribbage. Who will cook?

Brad will be here to start cooking at 11. We have until 6pm here at the church. Melissa will pick up raffle tickets at Wal-Mart.

Brian asked if anyone has contacted USMO for a donation of a book for PIG raffle. Melissa said they would donate 1 book per year.

Erik will work the door at spaghetti feed. Kori will do raffle and shirt sales.

E-mail request sent by Erica for insurance for Spaghetti Feed. Melissa said that all big events over 200 people will cost one hundred dollars for insurance and needs to be sent in at least 6 weeks in advance. Spaghetti Feed will be less than that.

7. Melissa is passing around the agreement for PIG. Write down any concerns and once revised they will be signed and sent.

Brian asked if early registration was in the agreement – Brad and Melissa said yes

Kevin said Garrett had the registration flyers.

Melissa signed the agreement for PIG.

Todd made a motion to close at 6:45pm, Erica seconded.
