Recovery Meeting – Just for Today

Newcomer Orientation- Jeff S

Introduction: What and Why is the Fellowship Services Team (FST)?

- The Minnesota Region is accountable to the Fellowship through the MNRSC, the FST is an elected body of 12 NA members that serve 2 year terms and meet monthly via conference call to carry out the MN Region's business
 - Current Projects focus on Carrying Our Message
 - MN Region Projects Include:
 - NA Minnesota Helpline
 - Bridging the Gap
 - DOC Transition Fairs PR tables
 - Public Relations Tabling Events
 - Digital Project Team/ NAMinnesota.org website
 - MN Region Provides Insurance for all NA MN meetings and events
 - Insurance is automatic, if you are req'd by the venue to demonstrate, request a certificate at the website
 - MN Region Develops and executes Project Ideas/Plans
 - Let us know on a regular basis how we can help
 - FST members have overlapping terms to facilitate continuity
 - Human Resources are the most valuable and needed resource
 - **Check out NAMinnesota.org's New Service Community Page**

- **UMSO – BOD presentation by Rick**
 - Rick states that: We are right in the space we want to be in as a non-profit financially
 - UMSO needs volunteers, members can volunteer for 2 hour shifts
 - Raised prices by 10% on all merchandise, except for the Basic Text
 - Rotating board w/6yr cap on members, several members are beyond that time restriction and will need to roll off
 - UMSO Board 1st Tuesday q month- must hold a shift to be a board member
 - By-laws are published
 - UMSO point of accountability is to the MN Region
 - UMSO did not see a top line decline until the 1st of the year; rent has doubled at Sabathani and Sabathani is RUMOURED to want to double it again; Relationship with Sabathani is less of a partnership today than it has been in the last 22 years. May 2017 \$300/mo to \$550/mo; lease is currently expired and they have not been presented with a new lease
 - UMSO will give a report at each MNRSC going forward
 - Audit is suggested
 - Non-NA merchandise can be sold, and only by approved-by-NAWS suppliers (approved licensed suppliers?)
 - IF RENT INCREASES AGAIN, MNRSC Chair, Joe will be immediately informed by Rick.
 - 2017 Physical inventory numbers are not in yet, will hit on the 2018 financials, typically there is some shrinkage.
 - Medallion Question- The bi-plate medallions don't look like NA medallions. Some people don't like that. Question: Will UMSO stop selling them? Suggestion: Join the Board/ attend their meetings
 - The prices at the UMSO are significantly higher than the retail prices available to addicts and groups in Minnesota from the World Service Office. The markup on IPs is 38%. The markup on keytags is 25% and the markup on books is 20-24% except for the Basic Text which is 8%.
 - Rick encouraged the region to ask the areas if these markups are reasonable in order to pay for the \$17,000/year in expenses that it takes to run to keep the service office open.

Open Forum (cont'd)

- **RCM-GSR Event Proposal- motion 45I**
 - Wee Are Here is already talking about an event to encourage GSR participation in their Area
 - Make the cost \$800, same as COCW
 - One-time event, will consider making it annual based on perceived value following the event

MNRSC Chair Report

May 12, 2018

Greetings Fellow NA Members,

I am grateful to be giving another report as Region Chair. The journey thus far has been great. Working with dedicated trusted servants like the members that serve at Region has been nothing short of fulfilling to my spirit. Over the past 3 months we have worked hand and hand in accomplishing many goals to further the primary purpose of NA Minnesota. The following are some of the efforts we have participated in as a Region.

- We have visited multiple Area's. We attended the ASC at, Central Minnesota, South Suburban Fireside, Twin Cities Area, Area of Hope, and the Voyager Area. In visiting these Areas, we were welcomed with open arms and the Spirit of Tradition One was alive in the spirits of those who welcomed us. We talked about concerns, needs and request that are specific to each Area. We opened the line of communication and asked that GSR's carry the message back to their groups that the Region is here to serve the Areas and groups alike. We also talked about the digital Project, website etc. Which I am sure is talked about in the Digital Project Team Report.
- We completed the Insurance purchase. We now have insurance for every NA meeting, event, and gathering of NA members across the State. This process was long and at some points complicated. I thought we would never reach the point of being fully insured. There were questions about the Region being a Non-Profit etc. We were steadfast to the traditions and represented ourselves as nothing other than NA. The underwriters accepted our status and granted us the policy. We first bought the policy with coverage up to One Million per occurrence, only to find out that this would not be enough to cover all that was needed for some events our fellowship holds. We ended up after much negotiation increasing the policy to 2 million per occurrence. Long process but we got it done!

MNRSC Chair Report (Cont)

May 12, 2018

- We sent our Regional Delegates to the WSC. More to be revealed in their report.
- MNNAC was a success. We have chosen a new MNNAC Liaison, Patty K. Patty will be working closely with the MNNAC BOD to ensure we stay informed on request and needs of MNNAC. The convention was once again one of the most awesome conventions ever. "The Great Minnesota Get Together."
- Our newly elected FST Member, JoJo has been doing a great job. Thanks JoJo for assisting in making sure our financials were ready when requested by the insurance adjusters.

The above and much more has been accomplished over the last three months. We are grateful to be able to serve a Fellowship that so freely gives us.

In Loving Service,
Joe B- Minnesota Region Chair

UMSO

It was good to see Rick, UMSO BOD Chair, yesterday at the Minnesota Region yesterday. He presented the financials for 2017. The fixed costs to run the office increased by 36% or \$4,500 between 2016 and 2017. The expenses to keep the office open are now \$17,159 each year. These expenses are only going to get worse, and in order to pay for that overhead, the UMSO has to charge a substantial markup on the literature as you can see in the graph below.

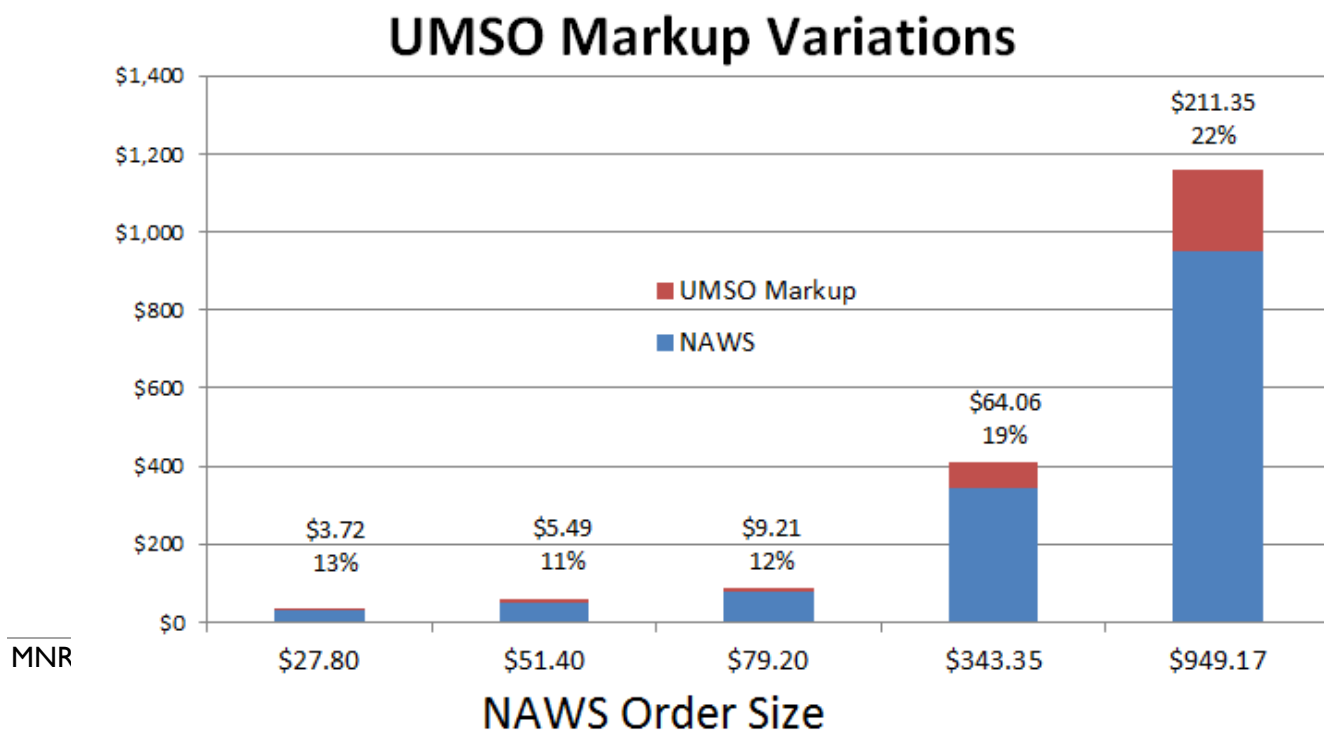

Literature distribution is an important part of carrying our message to addicts who still suffer. Getting literature into the hands of suffering addicts is the surest way for them to learn about recovery in Narcotic Anonymous. But according to the Eleventh Concept, "NA funds are to be used to further our primary purpose, and must be managed responsibly." We need to ask ourselves if it is a prudent use of Seventh Tradition funds to spend \$17,000 a year to maintain an office that is open 6-8 hours a week. That breaks down to \$50/hour for every hour that the office is open.

Also attached is a spreadsheet that compares UMSO pricing to NAWS pricing. You can enter any order you like and compare what it costs from the UMSO vs. what it would cost if ordered from NAWS. This includes shipping costs from NAWS and sales tax costs from the UMSO.

As you can see from the graph below, the larger the order, the worse the disparity becomes. Individual items of note: Basic Text 8%, Other Books 22%, Key Tabs 25%, Informational Pamphlets 38%

Options

- 1) No change – continue to pay the cost of office overhead out of Seventh Tradition Funds
- 2) ASCs sell literature directly to groups – Many ASCs in our region starting doing this when the UMSO stopped shipping
- 3) Groups order online from NAWS – This requires a group trusted servant to use a credit/debit card to place the order
- 4) Some other option

Bridging the Gap Project Report

NA Minnesota Bridging the Gap Program needs the support of the Fellowship! Approximately 5 to 10 addicts a week ask for an NA temporary contact through the website, prison transition fairs, from treatment center professionals, and on NA the helpline. In recent months requests have increased and we need more members to sign up as temporary contacts!!

Please include the attached volunteer sign up sheets at your meetings, service committee meetings and at your events! Members can, of course, sign up on the website as well under the help wanted section of the service community page. You can take a picture of the sign-up sheets and send them to info@naminnesota.org or enter them on the website directly.

We also need Fellowship support to expand the Bridging the Gap program. Bridging the Gap and Helpline business cards are useful to hand out to assessors, treatment professional and addicts at H&I meetings. Please pick up cards at the MNRSC and request more by emailing info@naminnesota.org

Helpline Project Report

The NA Minnesota Regional Helpline receives an average of 271 calls per month!

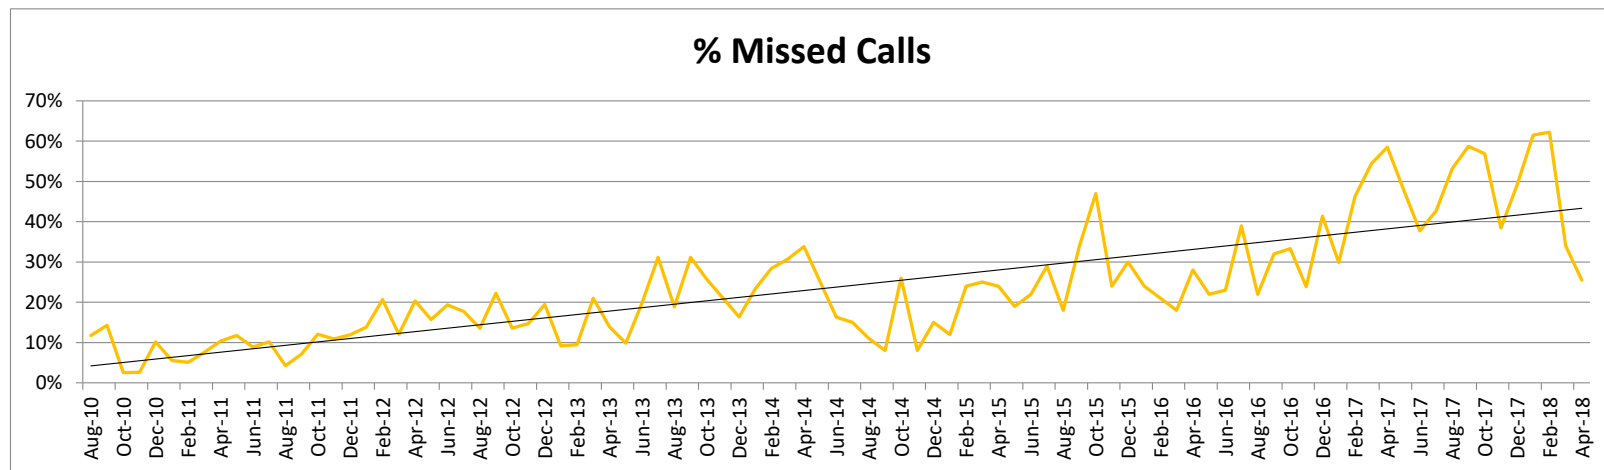

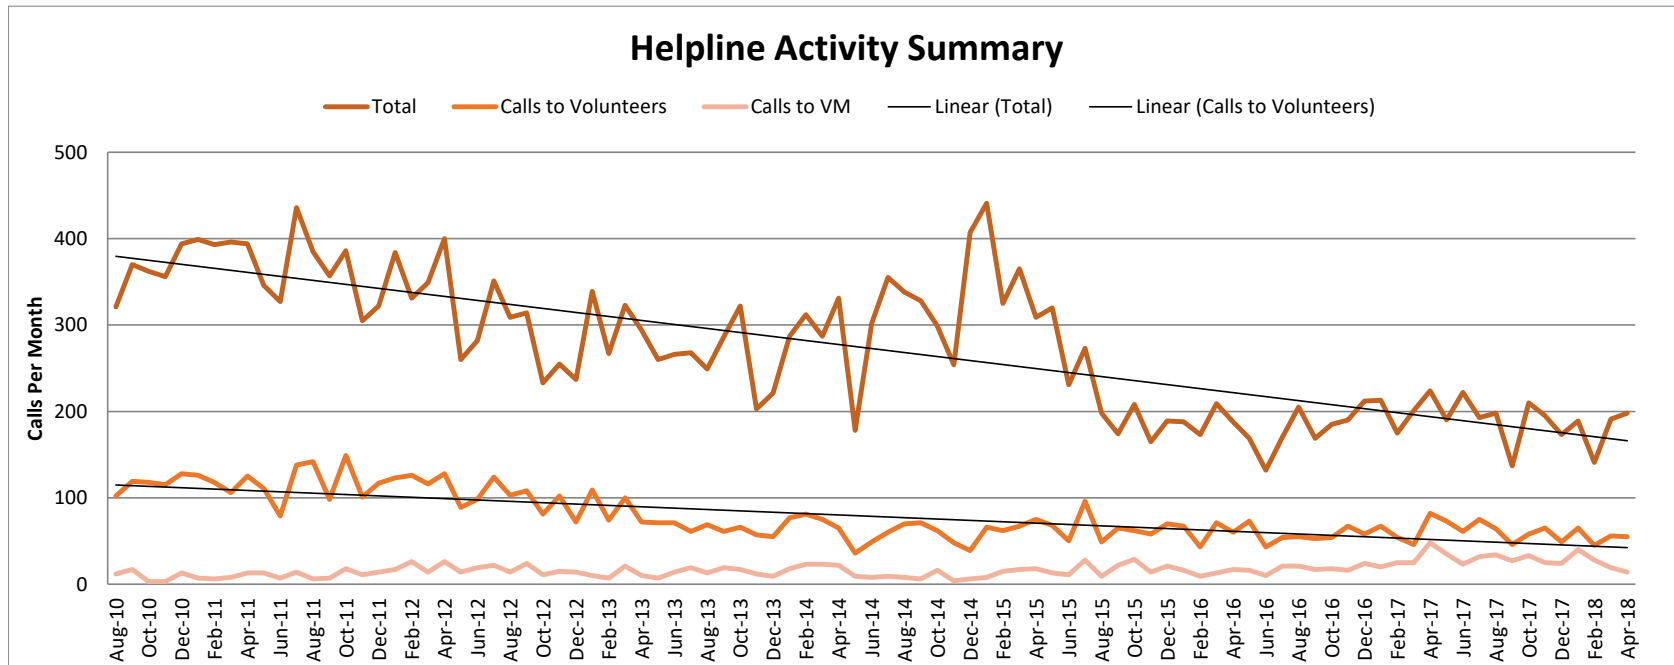

Helpline callers listen to readings, hear meetings lists, request speakers, referrals, or speak directly with an NA Helpline volunteer. Approximately one third of callers request to speak directly to a Helpline volunteer, an average of 2 calls per day. In April 2018 helpline volunteers picked up 75% of the calls to volunteers, the remainder went to voicemail and were answered by another volunteer.

The Helpline welcomes new volunteers for this rewarding service! Helpline callers receive a variety of calls from addicts seeking support, to members looking for meetings in unfamiliar Areas, to the friends and family members of addicts seeking advice and support on how to support their loved ones in active addiction. When a volunteer signs up for Helpline service, they are emailed and asked to read a Helpline volunteer orientation manual. Volunteers then do a short orientation with the Helpline manager, they are entered in the Helpline call queue, and they begin answering calls!

Please include Helpline volunteer sign-up sheets at your Area's meetings and events.

Volunteer requirements include 6 months clean time, access to current NA meeting lists, email address, and a phone! Sign-up sheets are included in the MNRSC minutes and can be photographed and emailed to info@naminnnesota.org.

New Website Launches

We successfully launched our new website on March 31st. This is what we accomplished so far.

- ☒ **Responsive Design** – The new site was redesigned with a mobile experience in mind. First we look at how a new page or function looks on a phone and then we consider the desktop experience.
- ☒ Online Committee Archives
- ☒ Update the meeting list
- ☒ Submit a new NA Event
- ☒ Submit your GSR or Committee Report
- ☒ Online donations
- ☒ Download an insurance certificate
- ☒ Volunteer for Service Opportunities
- ☒ An interactive Facebook-like community
- ☒ News About NA
- ☒ **A Multi-Site Installation**
 - The **main site** is public facing and contains most of the same information that we had on the main page for Newcomers, Professionals, Events and Meeting Lists
 - Each **Local Committee has their own site**. These are also public facing with a special focus on the local fellowship. Each site will be maintained by the committee's web servant. In the absence of a web servant, it will not be updated at all. This is also where the web servant updates the format of the local meeting list
 - **Events** are maintained in their own subdomain with ecommerce capabilities.
 - www.mnnac.org now points to the **MNNAC 26** online registration site.
 - **NA Service Community** is a site designed for NA trusted servants. This is where you can log in to access functions available only to NA members:

Website Enhancements

Our website continues to be a work in progress. We try to keep up with new WordPress technology as it is released. The enhancement queue includes:

- ☐ Update the map of ASCs and make the map clickable
- ☐ Make the site GDPR Compliant
- ☐ Create a filterable trusted servant list
- ☐ Install a Wiki for Guidelines and Bylaws maintenance
- ☐ Blog pages
- ☐ Volunteer form submission automatically updates a user's profile interests
- ☐ Online training videos
- ☐ Custom 404 page and automatic broken link detection
- ☐ Facebook Response Assistant

Monthly Web Servant Training

On the second Wednesday of every month we are scheduling a monthly training session for anyone interested in learning how to maintain their local area websites on www.naminnnesota.org. Having the responsibilities of a web servant, updating and maintaining a website for Narcotics Anonymous, can be daunting and a little bit scary. We hold this meeting to make sure you are comfortable and confident in your abilities. We'll have a prepared agenda, but this will be extremely informal with lots of time for Q&A and plenty of step by step demonstrations.

[Our next training session is scheduled for Wednesday, June 13th @ 7:00 pm - 9:00 pm](#)

General Data Protection Regulation

GDPR stands for *General Data Protection Regulation*. This is a European regulation meant to give people control over their personal data. It becomes enforceable by May 25th, 2018. All organizations 'handling' personal data of citizens or residents of the European Union (EU), regardless of location, have to comply with GDPR, including websites that have:

- ☐ An e-mail address field on a contact form or checkout page.
- ☐ A log in function on the website.
- ☐ Database with order information.
- ☐ Event sign-ups.

GDPR forces website and web shop owners to inform visitors:

1. Which personal data is being collected
2. What the data is being used for
3. Who is handling the data
4. How the data is obtained
5. How and where the data is stored

The EU General Data Protection Regulation (GDPR) is a comprehensive set of rules designed to keep the personal data of all EU citizens collected by any organization, enterprise, or business safe from unauthorized access or use. We currently don't have any Europeans on our website, but as soon as an EU citizen signs up for MNNAC, or Sponsorship Behind the Walls, we will be liable for any penalties imposed for not following those provisions. There are no exemptions for size, scope, location, or first offenses. Provisions in the GDPR grant the EU the authority to enforce the regulations across international borders. This is the direction that data ownership is going and we will be moving that way, not just because it's the law, but because it's the right thing to do.

Organizations that ignore the GDPR are opening themselves up to uncertain liability, substantial risk, and potential financial hardship. The gravity of the GDPR would suggest a prudent course of action is required, including establishing procedures, protocols, and policies that address and meet the requirements of the law. This EU General Data Protection Regulation (GDPR) Policy will give you a head start on building guidelines that fit your company's circumstances.

Promoting Facebook Posts

We've been experimenting with boosting Facebook posts to increase our reach on important announcements. This year we boosted 4 posts with good results. On average, standard posts reach about 900 people. This varies based on the nature of the post. Information about MNNAC and other events tend to do better than information about service. The reach of boosted posts is 5 times that amount, nearly 4,500. And the organic reach nearly triples.

The cost for a boost is \$20 so on average we're paying about a ½ cent for each additional person we're reaching. But the important part is the engagement. Are people liking and clicking on the links? Total engagement and clicks increase 900% on a boosted post and reactions; likes, comments and shares increase 700%. The ultimate goal on a boosted post is to increase the number of people who click on the link. On average we're paying about 8 cents per click when we boost a post.

Paying 8 cents to generate \$40 for a convention registration is extremely cost-effective.

Facebook Instant Messaging

The Digital Project Team has been kicking around the idea of making Instant Messaging live on our Facebook page.

Currently the [\[Send Message\]](#) button opens a messaging dialog that looks like an instant message. But that simply goes to an inbox without notification to anyone.

We could make the [\[Send Message\]](#) button live so that it connects to a Social Media trusted servant who would then respond. Kind of like a helpline volunteer, but for text messages instead. We're looking for feedback on that idea before the FST moves forward with it.

Going forward we could have a Messenger Response Assistant, even a Chat Bot if we wanted to. Of course, we would disclose up front that it is a AI program, not an addict. But it could be a good way to get information to people seeking it. After all, programs can't break the traditions unless we program them to.

CAR Motion Results

1) To direct the World Board to create a project plan for consideration at WSC 2020 to convert the service pamphlet Social Media and our Guiding Principles into a recovery IP that includes fellowship input and review.

- Pass

2) Remove from the Narcotics Anonymous World Services catalog and inventory IP 27 For The parents or Guardians of Young People in Narcotics Anonymous

- Fail

3) To direct the World Board to create a project plan for a Step Study booklet containing questions derived only from sentences in the Basic Text chapter 'How It works', for consideration at WSC 2020.

- Commit to the Board

4) To direct NAWS to produce and add to inventory an MP3 digital download of the Basic Text Fifth Edition in Spanish, previously in inventory on audio cassette. By conference policy, NAWS is not authorized to publish a fifth edition once a sixth edition is available. This motion would provide for a one-time waiver of the policy for Narcotics Anonymous World Services until the Spanish Sixth edition is completed.

- Fail

5) To approve an NA Service Prayer, utilizing the language that is already in the intro of the Basic Text, substituting the word write with the word serve, including it in the set of posters of the meetings for NA groups, as shown here:

"GOD, grant us knowledge that we may write serve according to Your Divine precepts. Instill in us a sense of Your purpose. Make us servants of your will and grant us a bond of selflessness that this may truly be your work, not ours, in order that no addict, anywhere, need die from the horrors of addiction."

- Pass

6) To direct Narcotics Anonymous World Services to produce and add to inventory key tags that reflect the growth of years clean in Fellowship Worldwide; specifically, Granite for one Decade, Purple for Decades Clean and Pink for 25 Years Clean.

- Fail

7) To direct the World Board to create a Service Pamphlet (SP) that clearly and simply outlines the rights of groups to reprint Narcotics Anonymous recovery literature covered under the Fellowship Intellectual Property Trust and its bulletins.

- Fail

8) To replace the first paragraph under "What kinds of literature should we use:" in the group booklet as follows:

Original Paragraph

NA World Services produces a number of different kinds of publications. However, only NA-approved literature is appropriate for reading in Narcotics Anonymous meetings. Selections from NA- approved books and pamphlets are usually read at the beginning of an NA meeting, and some meetings use them as the core of their format. NA-approved literature represents the widest range of recovery in Narcotics Anonymous.

Replacement Paragraphs (split)

NA World Services produces a number of different kinds of publications. However, only NA-approved literature is appropriate for reading in Narcotics Anonymous meetings, and then only NA- approved edition(s) of literature that conveys a unified message as the most current edition(s). For Basic Texts, this would be the 3rd Edition Revised and newer. Older editions of our literature as well as approval drafts, while valid in history, and while they carry a message of recovery, all carry a message that in some way or ways contradict our current edition(s) of literature and are no longer in unity with the fellowship's conscience regarding our message of recovery.

Selections from NA-approved books and pamphlets are usually read at the beginning of an NA meeting, and some meetings use them as the core of their format. NA-approved literature represents the widest range of recovery in Narcotics Anonymous. It is suggested that meetings that utilize older editions of Narcotics Anonymous-approved literature acknowledge the current editions of Narcotics Anonymous-approved literature for the sake of NA unity.

- Fail

9) To direct the World Board to create a project plan for consideration at WSC 2020 to create or revise one piece of recovery literature to directly address Drug Replacement Therapy (DRT) and Medication Assisted Treatment (MAT) as it relates to Narcotics Anonymous.

- Pass/amendment failed

10) Remove Bulletin #29, (WORLD SERVICE BOARD OF TRUSTEES BULLETIN #29, Regarding Methadone and Other Drug Replacement Programs) from publication and use.

- Fail

11) Remove "Narcotics Anonymous and Persons Receiving Medication Assisted Treatment" from publication and use.

- Fail

12) Assign a week each year as an NA PR week, beginning in 2019. Narcotics Anonymous World Services would establish the dates and would have information available for the whole Narcotics Anonymous fellowship a minimum of 90 days prior and also have available the possible contents of the program or the suggested agenda for such week.

- Pass

13) To authorize the World Board to define more special days, like unity day, in the yearly calendar.

- Pass

14) Fellowship Issue Discussion Topics (IDTs) will be selected based on the following process: By August 1 following the World Service Conference (WSC), NAWS will create a section on na.org for IDT submissions. The poll should be translated via available software into as many languages as possible. Any member, group, area, region or zone will be able to add an item to the poll. Beginning February 1 in the year before the WSC the process of voting on the poll will start. Any member, group, area, region or zone will be able to vote on the choices in the poll. The poll will close on the final day as set by the Guide to World Services (GTWS) for regional motion submissions. The top six Issue Discussion Topics in the poll will be placed in the Conference Agenda Report and voted on in old business at the World Service Conference with the top three being the Issue Discussion Topics for that next conference cycle.

- Withdrawn by maker

15) To hold a 3 day meeting of 2 representatives from each of the existing zonal forums. The meeting will be planned by NA World Services who will also cover the expenses for the meeting itself. The zonal forums or their regions will cover the cost of travel and meals for the representatives with financial assistance from NA World Services if necessary.

This meeting will occur in the 2018-2020 conference cycle.

- Fail

16) That the World Board develop a project plan, including budget and timeline, for presentation at WSC 2020 on the role of Zones, their relationship to the wider fellowship, including integrating Zonal Delegate participation into the decision making process at WSC.

- Pass

17) To approve a change in the description of World Service Conference participants from regional delegates to zonal delegates. This change will occur over 3 conference cycles from 2018 to 2024 with the choice of representation left to the seated regions during this transition period. These three conference cycles will be used to develop details for the future. Any policies or ideas developed will be presented back to the fellowship in the CAR. Zonal delegates attending the WSC will carry a vote for all of their seated regions that are not represented by a regional delegate. No new regional seating requests will be considered during the transition.

- Withdrawn by maker

18) That any Zonal Forum with two or more zonally seated regions or communities that are not seated at the World Service Conference, may choose to send one Zonal Delegate to the World Service Conference to represent those regions or communities.

- Pass

19) If motion 18 is not adopted then the following will not be offered.

That Zonal Delegates are voting members when in attendance at the World Service Conference. These Zonal Delegates would have one vote.

- Pass

20) If motion 18 is not adopted then the following will not be offered. Zonal Delegates are eligible to receive the same funding from NA World Services as regional delegates when attending the WSC. This funding includes travel, lodging, and meal expenses only.

- Pass

21) If motion 18 is not adopted then the following will not be offered. Alternate Zonal Delegates may attend the WSC with the same rights and limitations as is currently offered to Alternate Regional Delegates.

- Pass

22) To discontinue the WSC Conference Participants Discussion Board hosted and maintained by NA World Services

- Fail

23) Direct the World Board to develop plans to move to a three-year conference cycle. This plan would include quarterly web meetings, longer review time for the Conference Agenda Report, and would be developed in a way to provide an opportunity to include other ideas from conference participants.

- Fail

24) In new business the World Board will have one collective vote represented by the World board chair. Each World Board member votes only in Elections and may make motions in all sessions.

- Fail

25) To authorize the World Board to investigate and pursue ways for conference participants who are unable to attend the WSC due to visa and other issues beyond their control, to engage in sessions of the WSC.

- Amended/Pass

Public Relations

- Watched some PSAs from all over the world
- Viewed pictures of PR efforts from all over the world
 - Many PR committees are starting to track their effectiveness/reach of their PR efforts
 - Pharmacy helpline cards, bus ads, posters, PSAs, presentations, billboards, booths/tables, on big screen at sporting events
 - Number one question PR is asked regarding MAT is why we don't welcome those on it, not to change our stance on "abstinence"
 - Social media as a PR tool
 - Virtual PR meetings, shared best practices, training
 - Heard stories from active PR people from all over
- pr@na.org to sign up for NAWS PR Activities send your name email address and which service committee you serve on
- handi@na.org for inmate step writing, include your name email address and service committee

NAWS Report

- Paper cost continues to rise all over the world
- Asia, Middle East, Africa WSCNA 2021
 - Possible location in Middle East or Africa- WB is SERIOUSLY looking into this possibility so that Iran can be able to participate

Budget

- Print manufacturer, ship deliver warehouse, x3 along with other mitigating factors, is the breakdown of the purchase price of basic text
- Other literature is simply priced at 30% of cost of goods
- Production backlog mainly conjuring proofing not mechanical production costs
 - If you know a member that is good at proofreading please contact NAWS
- About 70 contracts with external resources for translations projects
- Several hundred pieces of literature currently in process of being translated into various languages

FIPT

- WB recommendation to change Article III of the Operational Rules
- Current inspection request from South FLorida Region
 - We heard from the SF Region
 - WB Response
 - “There is no way to describe this issue briefly” -Arne
 - FIPT came about after 1991 lawsuit over the baby blue
 - The topic caused a lot of disunity and attraction
 - CAR motions were adopted
 - Statements from WSC 1991 found in GTWSNA
 - 2008 WSC approved 6th edition basic text
 - It is now the only approved edition for production
 - Except those called out in translations policy
 - 1992 CAR the FIPT was created
 - Following there was a federal lawsuit to order NAWS to stop producing literature and stop the WSC, and to stop the creation of the FIPT, the suit went no where
 - 1993 some revisions were brought forth to the WSC, including the inspection request, which was passed by a simple majority

- Separate corporations and budgets operated outside the framework of the FIPT and its operational rules
 - World service conference
 - World service travel
 - H&I free literature
 - Board and committee meetings
- WSC 1998 combines world service office world convention corp and WSC admin and committees, now known as NA World Services Inc.
- One board, The World Board, that oversees all activities
- Current financial management and policies in GWSNA today
- Addressed the fact that the FIPT needed more revision but the WB focus has been on other things such as fellowship development
- 5 out of the 8 purposes of the WB is the oversight of the FIPT and NAWS
- WB is the financial oversight committee by policy
 - Also have an independent audit committee
 - They perform an extensive audit yearly
- “Claims that we are trying to hide something or not be transparent, are simply not true”
- If we are not providing the oversight you want you need to tell us
- “Only at the WSC, do we hear from the Trustors though you, delegates at the WSC”
- It never occurred to any of us at the last WSC that the trusts rules would be used this way
- The only thing that the WB is asking is to change how the trust would be used now
- We plan to straw poll
 - Do you want to change the operational rules at some point
 - Are you ready to do this at this conference
 - When and where
 - Questions on current inspection
- We sought legal advice because a legal instrument was invoked
- We saw this as so significant that we sought outside help to make sure the WB members were well informed
- Numerous conversations with attorney over the month to be as informed as possible
- Scope of inspection
 - 2 years of detailed reports
 - Ten concerns, many beyond the boundaries of the FIPT
 - The inability to satisfy the full inspections of the request would only create further controversy
- The delegates of the WSC are the Trustors of the FIPT
- The WB was originally told the inspection would only take a week(not true)
- This has already taken a lot of staff and WB time and resources

- Estimated cost of inspection: 1,000 hours to pull the the inspection, 25 staff work weeks,
- Anthony now speaking
- Nothing is humorous, there has been a lot of inactive and exaggerated information about the request
- The practical issue: how to you prepare to deal with the things listed in the 10 concerns
- Q&A
 - Has there been discussion on reviewing and updating the FIPT
 - Regardless of what discussions we have as a board, the discussion needs to happen here at the WSC
 - 1000 hours it takes to provide the audit, what about cost
 - \$120,000 if NAWS and WB did all the work
 - Question for Jeff: 2 years of detail records, does that include absolutely everything
 - That records are made available for sampling, they don't plan on looking at every single record
 - If we agree that the Article V Section III operations section of FIPT needs to be changed, would that stop the inspection from going forward
 - That would not affect the current request
 - Has there been any discussion between the WB and SF Region for compromise
 - We've published all dialog (lawyer to lawyer)
 - What is the process for the fellowship as a whole to have a say in whether or not to go through the inspection
 - We are going to keep straw polling until we have an idea of how the fellowship feels
 - Do you agree that a change is needed to Article V Section III of the Operational Rules?
 - Straw poll results: Strong support- 76 yes, 19 no, 10 abstain, 9 present not voting
 - Are you prepared to make a decision this week?
 - Straw poll result: 42 yes, 66 no, 2 abstain, 4 present not voting
 - As the trustor, directing the world board should we
 - Attempt to comply as requested: 45 in favor
 - Limit our response in some way-: 21 in favor
 - Not attempted to fulfill this request: 27 in favor
 - None of the above: 14 in favor
 - FIPT Discussion Continued on Thursday May 3rd
 - To change the wording from Article V Section III "any region" to WSC may inspect the records and operations of the Trust on behalf of the Beneficiary, if it chooses. The details should be decided by the WSC.
 - Do you agree that a change is needed in the future to Article V Section III of the Operational Rules? (This has no effect on the current inspection request)

- First straw poll: consensus support- 93 yes, 15 no, 4 abstain, 2 present not voting
- Question: Could we put a moratorium on the FIPT so that another region cannot request a costly inspection within the time from now until revisions have been made
 - Answer: we will be discussing that later in the conversation
- Questions being asked about the FIPT and the FIPT Operational rules, their differences and processes for revision
 - There is two very different processes to revise the FIPT and the FIPT Operational Rules. We are only concerned with the Operational Rules since the FIPT it's self is a legal document and overwhelmingly supported and decided to uphold at WSC 2016
- Question: Who will be in the workgroup and who chooses the workgroup?
 - Answer: The WB would be in the workgroup, and the WB chooses the work group. The WB is asking (if we decided to do this) to submit names of people that would be good on the work group, yourself, delegates, or other qualified/interested members.
- If we do not approve the changes in 2020, will moratorium be indefinite?
 - The only way we would continue is if the WSC agrees in principle
- Do you support a temporary suspension of the right for an inspection request from a single region? (This suspension would expire at WSC 2020)
 - First straw poll: 77 yes, 32 no, 3 abstain, 1 present not voting
- This moratorium is a necessary "ceasefire" (I liked this quote from another delegate)
- Question about Scope Creep, would it be allowed
 - We will go into that further in a bit, but it would probably depend on the content in which is being further questioned
- Do you wish to consider each proposal in the survey individually?
 - First Straw Poll: consensus support-89 yes, 19 no, 0 absati, 4 present not voting
- Breaking News: Jeff from SF Region, the SF Regional Chair, the WB Chair and Co-chair were able to compromise and come to an agreement. The region agreed to cut about half the inspection out. Limiting the inspection to one year instead of two, With a few exceptions. Limiting the inspection to only the Chatsworth Office. May 21st-May 25th are the dates for the inspection. SF Delegate said he has learned a lot about the applied application of the spiritual principles of trust and goodwill. He believes that this compromise was amazing, simple, and spiritual. This compromise was easy and he feels that he was able to work together. Because of the WB willingness to have this conversation and do the inspection he has a restored his faith in this process and our elected trusted servants.

- Acting as the Trustor, the delegates present at the WSC 2018, are suspending Article V Section III of the FIPT Operational Rules, while we make a decision about the future. This suspension would expire at the close of WSC 2020
 - First Straw Poll Results: Strong Support-85 yes, 23 no, 0- abstain, 3 present not voting
 - Final Vote (decision): Consensus Support- 89 yes, 22 no, 0 abstain, 2 present not voting
- If there is a specific concern or allegation, would a region not be able to request information from the WB or NAWs
 - Regions and WB members are allowed to request financial information from NAWs as stated in Guide to World Services
- Budget and Project Presentation
- Why isn't travel listed as travel in the budget
 - The structure of these accounts was carried over from the old account.
- Could we get some tips or advice on a skill set that would assist zone in choosing someone to participate in the work group
 - Diversity and experience are highly valued

RCM & GSR EVENT PROPOSAL

www.naminnesota.org

RCM & GSR EVENT

PURPOSE OF EVENT

This event is a meeting of all the GSRs, RCMs, and other interested members of NA in the Minnesota Region. We would come together to meet, grow in unity, and provide information about the NA Region. It is a key ingredient in the maintenance of the NA groups' final responsibility and authority for our fellowship's services, spoken of in our Second Concept. This event unlike the COCW event will deal specifically with NA Minnesota and its needs and concerns.

- I. A Project Plan must be developed and produced by the FST. This plan should include creating an attractive event to bring GSR's, RCM's and interested NA members out. Should include speakers, food, workshops and an opportunity to fellowship with each other.

RCM & GSR EVENT OBJECTIVES

Overall Objectives

- To get as much participation and representation from as many groups as possible throughout the region
- To inform the members of Narcotics Anonymous in our Region about the structure, functions, and importance of Local, Area, Regional and World Services
- To discuss the importance of participation by RCM's & GSR's throughout the State on a Regional level. RCM Reports etc.
- Give GSR's an opportunity to get information directly from the Region to bring back to the groups. This information will include the functions of the MN Region and the facts on how the Region is here to serve the groups. Service opportunities etc.
- Identify adversities faced by Areas throughout the State, Group needs etc.
- Discussions on ideas that can help the Region better serve the Areas and Groups.
- Fellowship with members from all areas across the State and promote Unity amongst NA members across the state.

Fellowship Service Team RESPONSIBILITIES FOR THE RCM & GSR Event

The FST works together in a team effort to develop and create a project plan for this event. The event should not conflict with any other major NA event and would need to be made known to all RCM's, GSR's and interested NA Members across the State.

Multi-Zonal Service Symposium

Project Idea: MN Social Services Association PR Table

Suggested by: Buddy K

Date Presented: May 12, 2018

1. The Problem

NA Minnesota does not have a presence at the MN Social Services Association Annual Conference

2. The Solution

Secure an NA PR table at this annual event, similar to the MAARCH conference, including literature, meeting lists and newsletter sign up sheets. Request project manager and volunteers via NAMinnesota.org

3. Benefits <Who benefits from solving this problem? In what way?>

- Still suffering addicts will benefit by receiving information about NA (meeting lists, IPs, Helpline and BtG cards and applications) from the professionals that serve them
- Social Service professionals will benefit by having up-to-date information on how their clients can access NA's program for recovery
- Narcotics Anonymous Fellowship will benefit by potentially extending our reach to addicts served by Social Service professionals, not considered to be part of the Addiction/Recovery fields and not represented at the MAARCH conference

4. Long Term Goals <How does this project fit with our long term goals? Hint: They're in the guidelines.>

- Sponsoring an NA PR table at the MN Association of Social Service Annual Training Conference and Expo compliments the MNRSC's long term goal to build and sustain cooperative relationships with other organizations and entities that address issues of addiction in order to raise awareness of Narcotics Anonymous as a viable option for recovery.
- Sponsoring an NA PR table at the MN Association of Social Service Annual Training Conference and Expo compliments the MNRSC's long term goal to realize its vision, carry out its purpose, act on its mission, and continually attempt to achieve its long-term goals through a prioritized series of projects that fulfill these goals.
- Sponsoring an NA PR table at the MN Association of Social Service Annual Training Conference and Expo compliments the MNRSC's long term goal to carry the message of recovery through the actions of the RSC, the MNRSC Fellowship Services Team, and its defined workgroup projects.

2. Inclusions & Exclusions <What are we going to do? Is there anything in particular that we're not doing?>

Project Plan: <MSSA Conference PR Table version 1>

Revision Date: 5/12/2018

3. Plan

EACH YEAR:

- 3.1. Add this event to NA Minnesota Region's annual PR table events schedule
- 3.2. Allocate funds in the MN Region's annual budget for booth rental and literature
- 3.3. Registration opens in the Fall for this event, Region PR manager should register, and Region Treasurer should pay booth rental
- 3.4. Project manager and volunteers should be solicited through the Region website and by RCMs and GSRs
- 3.5. Add announcement for volunteers to November MNRSC agenda
- 3.6. Project manager should purchase literature, including *current* Regional Meeting Lists for the table
- 3.7. Project manager should schedule pick-up and drop-off of MN Region's table materials from the PR Projects Manager one month in advance of the event to accommodate the schedules of all volunteers

Twin Cities Area Committee Report

RCM: Saralyn H **Phone:** 952-454-4871 **Email:** lyn_hirsh@yahoo.com

Last committee meeting: 4/21/18 **Attendance:** Voting GSR's 21 + Exec. Committee

Next committee meeting: 5/19/18 at Sabathani Community Center, Room J

Accomplishments

Our area has maintained strong attendance at ASC on a monthly basis for a period of months now with 20+ GSR's in attendance. Service positions are filled and not left open as they once were not long ago! H&I has had several new members join in panel positions, and new commitments have been able to start as a result. 1800 Chicago (Detox) will be new commitment starting in the near future. Public Relations took on a conference in March, and it was well attended by professionals in the community, and our volunteer follow through by members having signed up to take shifts at the table was outstanding!!! Our presence in those settings is invaluable, and materials/future contact has been requested by multiple institutions as a result of that conference.

Plans

Currently our area is in the process of moving toward project based service. In addition to this, GSR's will be bringing inventory forms to their respective groups/meetings that they represent and asking members to fill out the form to bring back for our area inventory to be held in place of June's ASC. A member outside of our Twin Cities Area will facilitate the inventory to provide objective guidance. All members are welcome. H&I is always looking for volunteers to carry our message into facilities. Public Relations will be once again bringing meeting lists back into local emergency rooms in the Twin Cities. H&I/PR will be putting together a workshop/learning day in the latter part of June to provide education and information to members already involved and looking to be involved in both committees. This will be a local effort of three areas: TCA/AOH/SSF. Outreach has been visiting one meeting a month and will continue to do so. ICUCNA X -- September 7 - 9th at the Double Tree in St. Louis Park, MN. Register in advance to support the convention!

Additional Information

Our area will be asking the MN Region to allocate funds in the PR budget for both the MARRCH Conference and Minnesota Social Services Association Conference (MSSA).
