IMPORTANT ACCOUNT INFORMATION

On January 7, 2019, we will add the capability to receive real-time payments through the RTP® system ("RTP System"). The agreement governing your deposit account in the "Funds transfer services" section of the Deposit Account Agreement is amended to include the following provisions relating to your receipt of RTP payments.

Receiving RTP Payments

The following additional terms apply to any real-time payments we receive for credit to your account through the RTP System. The terms "sender," "receiver," "sending bank," and "request for return of funds" are used here as defined in the system rules governing RTP

payments ("RTP Rules"). In addition to the RTP Rules, RTP payments will be governed by the laws of the state of New York, including New York's version of Article 4A of the Uniform Commercial Code, as applicable, without regard to its conflict of laws principles.

- The RTP System may be used only for eligible payments between a sender and receiver whose accounts are located in the United States. RTP payments that are permitted under the RTP Rules and our requirements are considered eligible payments for purposes of this Agreement.
- RTP payments are final and cannot be cancelled or amended by the sender. If you do not wish to accept an RTP payment received for credit to your account, you may request that we return such payment to the sender. We may, at our sole discretion, attempt to honor such request but will have no liability for our failure to do so.
- RTP payments are typically completed within thirty (30) seconds of transmission of the RTP payment by the sender, unless the RTP payment fails or is delayed due to a review by us or the sending bank, such as for fraud, regulatory, or compliance purposes. Transaction limits imposed by the RTP System or sending bank may also prevent RTP payments from being sent to your account.

We are under no obligation to honor, in whole or in part, any payment order or other instruction that could result in our contravention of applicable law, including, without limitation, requirements of the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") and the Financial Crimes Enforcement Network ("FinCEN").

We are adding the following clarification in the section of the Deposit Account Agreement titled "Rights and Responsibilities" under the subsection "When can we close your account?":

Important information for Consumer and non-analyzed Business accounts with a zero balance: An account with a zero-balance may be subject to automatic closure on the fee period ending date, depending on when the last qualifying transaction posted to your account.

- In order to prevent automatic closure, an account with a zero-balance must have a qualifying, non-automatic transaction posted within the last two months of the most recent fee period ending date. IOLTA and RETA accounts require a qualifying transaction within ten months of the most recent fee period ending date.
- Examples of qualifying transactions are deposits or withdrawals made at a banking location, ATM, or via telephone, mobile deposits, one-time transfers made at a banking location, ATM, online, mobile, or via telephone, or checks paid from the account.
- Automatic or electronic deposits, such as payroll, and automatic or electronic payments, including bill pay, recurring transfers, and any bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions for the purpose of preventing closure of an account with a zero-balance.

■ **Notice:** Wells Fargo Bank, N.A. may furnish information about accounts belonging to individuals, including sole proprietorships, to consumer reporting agencies. If this applies to you, you have the right to dispute the accuracy of information that we have reported by writing to us at: Overdraft Collections and Recovery, P.O. Box 5058, Portland, OR 97208-5058.
