What is Meeting of the Month?

This is a meeting that is struggling, either with attendance, filling trusted servant positions, or financially. They need the support of our Area and fellow addicts in recovery.

How can I help?

Show your support by attending the meeting, bring other recovering addicts with you and let the addicts looking for recovery know you care by being there for them.

How are the meetings selected?

The Outreach committee reviews the Group Service Reports from the Area Service Committee meeting in search of meetings that are struggling and asking for help. Plus a meeting can request to be the Meeting of the Month if they are in dire need.

OUR PRIMARY PURPOSE

The primary purpose of every NA group is "to carry the message to the addict who still suffers" (Narcotics Anonymous Basic Text). Therefore, the newcomer is the most important person in any meeting. The message of Narcotics Anonymous is hope: that there is another way to live.
