

Minnesota Region RCM Checklist

Service/Webinar Opportunities

Bridging the Gap

Volunteer to meet an addict at their first NA Meetings! Addicts contact us and we match them with volunteers in their area! We "Bridge the Gap" so you don't have to walk alone across that scary gap between the beginning of recovery in treatment or jail and the rest of recovery in NA.

Transition Fairs

Narcotics Anonymous has been invited to participate in Transition Fairs at Minnesota Correctional Facilities across Minnesota. These Transition Fairs present opportunities for offenders with 16 months or less to serve. We participate with community contacts for housing, halfway houses, transportation, employment, training and support, and a variety of other community resources. Approximately 300 offenders at the facility are invited to attend.

Helpline Volunteers

If you have a phone, you can be a helpline volunteer and make a positive difference in the lives of addicts in need. Helpline training workshops are scheduled around the state and online with a conference call. To volunteer all you need to do is attend one training workshop scheduled just for you. After completing the workshop, you can volunteer for one or more 3-hour shifts per week.

Sponsorship Behind the Walls

Many NA members who are incarcerated don't have the ability to experience the miracle of sponsorship face to face. Still, many of them are looking for someone to sponsor them through the mail. With this program, the addicts behind the walls send a letter to the SBTW P.O. Box. Your sponsee's letter is forwarded to you either through email or regular mail, whichever is best for you. Then you respond to your sponsee directly using the P.O. Box as your return address.

Fellowship Services Team

The Minnesota Region needs additional members on our Fellowship Services Team, (FST). The region meets on odd numbered months, info@naminnesota.org 3 years clean and service experience recommended. Support all regional projects, serve areas and groups. We plan the annual Creating Our Common Welfare Service Conference as well. The FST meets by zoom at least once between each RSC meeting. This is a great way to help carry our message of hope to addicts all over the state.

*** We Digital Project team positions open and area webserver volunteers needed.

Monthly Web Servant Training Webinar

This is our monthly training session for anyone interested in learning how to maintain their area websites on www.naminnesota.org. Having the responsibilities of a web servant, updating, and maintaining a website for Narcotics Anonymous, can be daunting and a little bit scary. We hold this meeting to make sure you are comfortable and confident in your abilities. We'll have a prepared agenda, but this will be extremely informal with lots of time for Q&A and plenty of step-by-step demonstrations. Reach out to digitalprojectteam.org with any questions or updates needed.
