Chair Report 1/21/12

Greetings: Our New Years Eve dance went very well considering the amount of people that signed up to help, and did not show. The people that did help worked very hard to make a fun evening. I send a very big thank you to all that helped. We did end up having MNNAC there selling registrations for the next conference, and they donated 1 registration for our drawing. Unfortunately ICUCNA did not come & set up a table as they had informed me they would. This was disappointing especially since they are wanting support from our members. The food was very good, but unfortunately we did not have very many people eat. There was a lot left over, so I gave to people that are in need to the best of my ability.

Except for the help of a few I have had to put on our last 2 events. This is to much for one person to do especially when they have other duties in the area they are responsible for. We will need more people to step up to help. Even though I had some great help at the New Years Eve dance, there is a lot of things that need to be done before an event. If we can not get an activities or banquet chair I will be setting up adoc committees. If we can not get enough people for those committees then we may not have a banquet or spring thaw dance. This a good time to start looking at project based service.

I have been talking with Becky from Area of Hope, and working on putting together a CAR education day. It sounds as South Suburban may also be interested. The date will be 2/25/12 with more information to follow. One goal for our area I would like to see happen is that we start working together more with these 2 areas.

I met with Kit, Jane & David M, and we have the by-laws updated. Unfortunately I read them on the computer, and when I printed them seen a couple typos that need fixing. We also have another meeting planned to start seeing if there are things in the wording that need to be brought into this century. We will be going through it a section at a time.

Hope everyone had a good & safe New Year! Again thank you to all that helped with the dance!

Thank You for letting me be of service
Respectfully submitted
Duane P. Twin Cities Area Chair

What Is the Narcotics Anonymous Program?

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.

There are no strings attached to NA. We are not affiliated with any other organizations. We have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious, or law enforcement groups, and are under no surveillance at any time. Anyone may join us regardless of age, race, sexual identity, creed, religion, or lack of religion.

We are not interested in what or how much you used or who your connections were, what you have done in the past, how much or how little you have, but only in what you want to do about your problem and how we can help. The newcomer is the most important person at any meeting, because we can only keep what we have by giving it away. We have learned from our group experience that those who keep coming to our meetings regularly stay clean.
