**Greetings from the Chair**

**Greetings Fellows! It's about that time again for the amazing Area Meeting! For all you GSR's please remember to review the GSR Preparation List. Also we will be continuing the presentation on The Atmosphere of Recovery so remember to bring your learning caps! Remember that Area is a potluck so bring a dish if you can! If you have any questions or are willing to come early to help set up please contact me. Thanks everyone!**

***What does each Group need to do before the ASC?***

1. Review the attached agenda and supporting documents. Each GSR/GSRA has some homework to do before arriving at the ASC. Those tasks are listed as "GSR Preparation List" also attached.
2. Help the GSR/GSRA to understand the Group's position on all agenda items.
3. Because new ideas and additional information may be brought to the ASC from various members, the Group may want to allow its GSR/GSRA some leeway in casting his or her vote and entrusting the GSR/GSRA to use his or her best judgment in carrying the group conscience.
4. Ask your GSR/GSRA to bring to the ASC any questions or concerns raised by the Group.
5. Should the Group need a question answered prior to the ASC, contact Austin M. at servicejunkie21@gmail.com or send an email to: info.nl@naminnesota.org

Bring along your spiritual principles, your patience, and your sense of service. Let's make it a productive and enjoyable meeting and keep our primary purpose in mind.

In Loving Service,
Austin M.
