"NA offers addicts a way to live drug-free. If you are not sure you're an addict, don't worry about it; just keep coming to our meetings. You will have all the time you need to make up your own mind."

What is Narcotics Anonymous?

"Narcotics Anonymous is a non-profit fellowship or society of men and women for whom drugs had become a major problem . . . Recovering addicts who meet regularly to help each other stay clean."

Membership is open to any drug addict, regardless of the particular drug or combination of drugs used. There are no social, religious, economic, racial, ethnic, nationality, gender, or class-status membership restrictions.

Narcotics Anonymous believes that one of the keys to its success is the therapeutic value of addicts working with other addicts. In meetings, members share their personal experience with others seeking help. Not as professionals, but simply as people who have been there themselves and have found a solution.

Narcotics Anonymous has no professional therapists, no residential facilities, and no clinics. NA provides no vocational, legal, financial, psychiatric, or medical services. The closest thing to an "NA counselor" is the sponsor, an experienced member who gives informal assistance to a newer member.

ADDICT'S PRAYER

My gratitude speaks
When I care and when I share
With others The NA way
