NORTHERN LIGHTS AREA SERVICE COMMITTEE GUIDELINES

Article I. Name and Purpose

Section 1.01 This body shall be known as the "NORTHERN LIGHTS AREA SERVICE COMMITTEE", hereinafter referred to as NLASC.

Section 1.02 The NLASC is a part of the Minnesota Regional Service Conference (MNRSC) and thereby is a member of the MNRSC and a member of the World Service Conference of Narcotics Anonymous (WSC).

Section 1.03 The primary purpose of the NLASC, in accordance with our Twelve Steps, Twelve Traditions and Twelve Concepts, is to carry the message of recovery to the addict who still suffers by furthering the unity of our Area fellowship through support of its member groups, by associating member groups with each other and by maintaining communication with the MNRSC and WSC.

Section 1.04 To ensure that our primary purpose is carried out, the NLASC shall have committees and resource people directly responsible to those they serve.

Article II. Operating Functions

Section 2.01 NLASC shall maintain a mailing address and a bank account.

Section 2.02 NLASC shall operate in accordance with the financial policies as set forth in the NA World Services Guidelines for the Area Service Committee Treasurer (Attachment A). Where the NLASC Guidelines differ from the minimum requirements outlined in Attachment A, the NLASC Guidelines will take precedence.

Section 2.03 The NLASC financial policies shall also include the following:

Section 2.04 All disbursements (checks) will require two (2) signatures.

Section 2.05 The primary signature must be either that of the NLASC Treasurer or the NLASC Chair.

Section 2.06 The NLASC Vice-Chair, NLASC Secretary, RCM, or the RCMA may act as the secondary signer.

Section 2.07 All funds received by the NLASC will be deposited within seven days of receipt.

Section 2.08 A three-member budget committee, to be headed by the NLASC Treasurer, will be formed at the October NLASC.

Section 2.09 The Budget Committee will develop a proposed NLASC budget for the fiscal year to run January 1 through December 31.

Section 2.10 The Budget Committee will distribute the proposed NLASC budget to the Area GSRs, Committee Chairs and Officers no less than two weeks prior to the December NLASC meeting for adoption at the December NLASC. The Annual Operating budget will prioritize expenses as follows:

- **(a)** Outstanding Debt
- **(b)** Area Meeting Lists
- **(c)** P. O. Box Rental
- **(d)** Storage Unit
- **(e)** Secretary Expense
- **(f)** Treasurer Expense
- **(g)** Executive Committee Expense
- **(h)** Project Expense
- **(i)** Vermilion Committee Expense

Section 2.11 The Executive, Project and Vermilion Committees will submit to the Budget Committee a projected operating budget at the October ACS. Any budget not received will be set by the Budget Committee.

Section 2.12 The Budget Committee will recommend a prudent reserve for the new fiscal year based on past financial information, NLASC goals, and other needs of the NLASC. The prudent reserve will be approved by the NLASC at the December NLASC meeting. A prudent reserve is defined as the budget required for paying off any outstanding debt, maintaining the P. O. Box rental, storage unit, Area meeting lists, Vermilion start-up cost, Secretary Expense and Treasurer Expense for one year.

Section 2.13 Any funds exceeding the prudent reserve and approved annual budget will be donated at a split of 75% to the MNRSC and 25% to the WSC for dispersal at the February NLASC.

Section 2.14 The NLASC approved budgets will serve as a guide for dispersal of funds. The budget committee will set a standard cost per event for NLANA sponsored projects and activities. Should the anticipated cost for a project/activity exceed the standard amount set forth in the current budget, the event must receive the prior approval of the NLASC body as a whole before the project/activity commences. Unbudgeted expenses must have the approval of NLASC body prior to disbursement.

Section 2.15 Funds will be disbursed by check for all expenses. Whenever possible, checks will be made payable to the vendor and a receipt will be returned to the NLASC Treasurer. Checks made payable to an NA member must be supported by a check request or expense reimbursement form and supported by receipts.

Section 2.16 A mileage reimbursement rate shall be set by the NLASC body as a whole and may be changed through group consensus at any NLASC meeting.

Article III. Meetings

Section 3.01 NLASC will hold a regular bi-monthly business meeting on the first Saturday of the even numbered calendar months beginning at 12:30 PM and ending no later than 4:30 PM, at a location to be determined by the ASC body as a whole.

Section 3.02 Any item of business being discussed at 4:30 shall be seen through to its conclusion before closing and any agenda items not addressed shall be continued at the next NLASC.

Section 3.03 Special meetings may be called by the Chair or Vice-Chair on being advised of a matter of special urgency. Reasonable notice must be given to all elected NLASC participants and Group GSRs.

Section 3.04 Participation at NLASC business meetings shall be closed to any non-NA member unless approved by a group consensus.

Section 3.05 Any NA member may speak at NLASC meetings provided they have been granted the floor by the Chair. Anyone who has not been clean for at least 24 hours is welcome to stay but will be asked to not participate.

Section 3.06 Consensus participants shall consist of all members of the NLANA present at the NLASC excluding the Chair or Acting Chair.

Section 3.07 Quorum requirements for the NLASC shall be defined as 50% of the NLA groups represented by a GSR, GSRA or Acting GSR and at least two Executive Committee members present. A meeting ceases to be considered in this quorum when it's GSR, GSRA, or Acting GSR has been absent from two consecutive NLASC meetings.

Section 3.08 The NLASC Secretary will conduct a roll call to determine when a quorum is present. The roll call shall be kept on file by the Secretary.

Section 3.09 If a quorum is not present, a meeting may be opened and normal activities may proceed, however, no group consensus will be taken.

Section 3.10 The NLA recognizes an NA Group as follows: "When two or more addicts come together to help each other stay clean, they may form a Narcotics Anonymous group. Here are six points based on our traditions which describe an NA group:

- **(a)** All members of a group are drug addicts, and all drug addicts are eligible for membership.
- **(b)** As a group, they are self-supporting.
- **(c)** As a group, their single goal is to help drug addicts recover through application of the Twelve Steps of Narcotics Anonymous.
- **(d)** As a group, they have no affiliation outside Narcotics Anonymous.
- **(e)** As a group, they express no opinion on outside issues.
- **(f)** As a group, their public relations policy is based on attraction rather than promotion." (from The Group Booklet, Revised Copyright © 1990, 1997 by Narcotics Anonymous World Services, Inc.)

Section 3.11 Any NA group can become a member of the NLANA by simply submitting a completed GSR report to the ASC. The Group will be included on the next printing of the Area meeting list and be submitted to the NLANA web master for submission to MNRSC web master as soon as possible.

Section 3.12 All NLANA groups are encouraged to submit a GSR report at each ASC meeting. The report can be mailed or hand delivered.

Section 3.13 When a group misses submitting a GSR report, the Area Chair will ask for a volunteer to visit the NA group and offer the support of the ASC. With the permission of the group, the volunteer will assist the group in completing and submitting a GSR report and encourage the group to send a GSR to the next ASC meeting.

Section 3.14 Without a Group report to confirm meeting information, the integrity of the ASC Meeting List could be compromised. It is important that an addict is not directed to a disbanded meeting or to a wrong location or meeting time. If a Group chooses not to submit a GSR report the ASC Secretary will call for a group consensus to determine if the group's meeting information should remain on the meeting list.

Article IV. Service Structure

Section 4.01 Purpose - It is the responsibility of the NLASC Service Structure to conduct the business of the NLASC in an atmosphere of recovery providing an opportunity for groups to share their experience with one another.

Section 4.02 Executive Committee – Conducts the regular business meeting of the NLASC and shall consist of the following elected participants elected in October, commencing in December, for a one-year term, not to exceed two consecutive terms. With the exception of the Vermilion Chair who will be elected in August. It is encouraged that the outgoing elected sit with to better train incoming elected in December.

- **(a)** Chair
- **(b)** Vice-Chair
- **(c)** Secretary
- **(d)** Treasurer
- **(e)** RCM
- **(f)** RCMA
- **(g)** Vermilion Chair

Section 4.03 Vermilion Committee – Provides an annual camping retreat activity open to both addicts and non-addicts. The committee will meet at least on the same day and at the same location as the NLASC meeting and is open to all NA members. Special meetings may be called by the Chair or Vice-Chair of Vermilion as needed. Reasonable notice must be given to all elected NLASC participants and Group GSRs. Vermilion Committee participants will be elected by those NA members present at the Vermilion Committee meeting in accordance with the Vermilion Committee Guidelines (Attachment F).

Section 4.04 In the event of a resignation or removal of an Executive Committee elected participant, the NLASC body as a whole shall elect a replacement to finish the term. Groups will be notified two weeks prior to any election.

Section 4.05 In order to maintain the distinction in service between principles and personalities, it is important to observe the practice of rotation. The practice of rotation reinforces the NA emphasis on service rather than the servant, consistent with our belief in the value of spiritual anonymity—what's important is the job being done, not the particular person doing it. Trusted servants are encouraged to complete a one year term of office and then step-aside for a time or accept responsibilities elsewhere in the NA service structure, giving other members the chance to serve the group.

Section 4.06 Merchandise with theme and logo to distributed evenly to estimated NLANA events, and merchandise with no year, theme, or logo to be sold at following Vermilion.

Article V. Qualifications and Duties of Elected Participants

Section 5.01 Elected participants should have prior experience and/or related skills respective to their position and a working knowledge of the 12 Steps, Traditions and Concepts is essential. Trusted servants should have demonstrated leadership ability as discussed in the Fourth Concept. All elected participants are directly responsible to the groups of the NLASC.

Section 5.02 Any NA member meeting the qualifications described in these Guidelines may be elected to the Executive, Administrative or Vermilion Committees.

Section 5.03 Elected participants of the Executive Committee will not simultaneously serve in the position of group GSR or GSRA. All NLASC elected participants are encouraged to attend both the regular business meeting and the administrative committee meeting.

Article VI. NLANA Projects

Section 6.10 The work that the Area as a whole undertakes will become known as projects. Ideas for projects may be developed at the Member, Group or Area level. These project ideas will be further developed at the ASC through connecting them with the Area's primary purpose and match these with the Area's resources.

Section 6.11 For one-time project events (e.g. dance, picnic, etc.) a Project Idea Template (Attachment E) is completed and submitted for approval by the body of the ASC. If approved, a project leader is chosen to manage the project and project members are recruited to serve and assist. The project is then implemented and executed with regular reports given to the ASC.

Section 6.12 Certain projects will be classified as "ongoing projects". For ongoing projects a Project Idea Template (Attachment E) is completed and submitted for approval by the body of the ASC.

Section 6.13 If approved, the ASC will appoint a project manager who will be responsible to recruit a project team.

Section 6.14 The project team will develop a Project Plan (Attachment E). The Project Plan is the Agreement between the project team (the doers of the work) and the Northern Lights Area of Narcotics Anonymous. It summarizes what work is to be performed, how it will be completed, when it will be done, who will perform the work, how much it will cost and how the work will be controlled.

Section 6.15 The Project Plan must be approved by the NLANA Executive Committee prior to base-lining and moving forward with the project. The project is then implemented and executed with regular reports given to the ASC.

Article VII. Motions and Voting Procedures

Section 7.10 Motions may be submitted and seconded by voting members as defined in Article 3.07. All motions must be submitted in written form to the secretary prior to consideration by the NLASC body.

Section 7.11 The spirit of decision making at the NLASC will be that of consensus as outlined in Attachment B, unless otherwise determined by the Chair.

Section 7.12 Quorum, as described in paragraph 3.08, must be present for any motions or elections to be confirmed or denied at the NLASC Business Meeting.

Section 7.13 Any motion to change or suspend any portion of these guidelines must be distributed to the Area meetings and committees at least two weeks prior to the NLASC meeting where the vote will be conducted.

Section 7.14 Any and all motions not called for by the Chair will be submitted in new business.

Section 7.15 The Chair has executive discretion to postpone discussion or voting on any motion until the following NLASC.

Section 7.16 No two motions shall simultaneously be on the floor at any given time.

Section 7.17 Discussion on a motion will only occur after it has been seconded.

Article VIII. Nomination and Election Procedures

Section 8.10 Two ASC meetings prior to the end of the term of any officer, nominations for that office will be solicited.

Section 8.11 Nominations shall be open to any member of NA that meets the qualifications of the position as outlined in these guidelines.

Section 8.12 All nominees must be present at the time of their nominations to be confirmed for a position.

Section 8.13 All nominations require a second, followed by the nominee's acceptance or declination of the nomination.

Section 8.14 All nominees will be asked to state their qualifications and answer questions from the NLASC.

Section 8.15 At the following ASC, the positions will be voted upon.

Section 8.16 All elections shall be conducted by written ballot with two volunteers counting the ballots. A nominee must win the election by majority vote. In the case of a tie, a second vote shall be taken after general discussion. The volunteers shall announce the winner without disclosing the ballot count.

Article IX. Removal of Elected Participants

Section 9.10 Through a consensus the NLASC may remove any elected participant from his or her position if found unfit as determined by NLASC as a whole.

Section 9.11 No elected participant may be removed without cause.

ATTACHMENT A

GUIDELINES FOR THE AREA SERVICE COMMITTEE (AND IT'S TREASURER)

Article I. It is suggested that the NLASC treasurer have a minimum of two (2) years continuous abstinence from all drugs.

Article II. The NLASC treasurer will issue a receipt to all groups, individuals and committees for all money received. This will serve to create a written history of financial activity and facilitate the bookkeeping of both the group and NLASC.

Article III. Do not borrow funds from the NLASC treasury. Our experience tells us that treasurers and others who make this a practice tend not to return to the fellowship, nor do they return the funds.

Article IV. NLASC funds cannot be spent without the approval of the GSRs and/or the NLASC as a whole or as approved in the annual budget.

Article V. The NLASC will maintain a checking account requiring two signatures on all checks and withdrawals. The Treasurer, Chair, Vice-Chair, and Secretary will be the signatories. The RCM or RCMA may be substituted as one of the signatories when it is practical to do so. This is to protect NLASC funds and to help the treasurer by providing financial records from an outside source (the bank).

Article VI. The NLASC treasurer shall make a written financial report of contributions and expenditures at each regularly scheduled meeting of the NLASC, as well as an annual report at the end of each fiscal year. The treasurer can also be made responsible for bulk purchases of literature for the groups.

Article VII. At the NLASC level of service, there should be only ONE person handling the funds – the treasurer.

Article VIII. A financial review of the NLASC's financial records should take place at least once a year, or when there is a change in treasurers. All the financial records of the NLASC should be reviewed.

Article IX. IT IS VITAL THAT EVERY TREASURER HAND OVER HIS/HER RECORDS TO HIS/HER SUCCESSOR, IN ORDER TO PRESERVE MUCH-NEEDED CONTINUITY AND HISTORY.

Article X. Suggested Procedures for Financial Review

Section 10.01 The NLASC Executive Committee, excluding the treasurer, should determine when a financial review is to take place.

Section 10.02 It is recommended that no more than 24 hours' notice be given prior to the financial review.

Section 10.03 Those conducting the financial review MUST take physical possession of all records, statements, inventories, and petty cash.

Section 10.04 The treasurer should be available to the review committee in order to assist and answer questions, if necessary.

Section 10.05 A financial review should be seen as a tool that may prevent a minor error from becoming a major one. IT IS NOT INTENDED TO BE AN INQUISITION.

Section 10.06 Financial reviews should not be predictable but should be varied as to time and place.

ATTACHMENT B

CONSENSUS DECISION MAKING PROCESS

Article I. **Broad Open Discussion - General Discussion**

Section 1.01 Discussion at this level ought to be the broadest in scope. Try to encourage comments which take the whole proposal into account, i.e., why it is a good idea, or general problems which need to be addressed.

Section 1.02 Discussion at this level often has a philosophical or principled tone, purposely addressing how this proposal might affect the group in the long run or what kind of precedent it might create, etc. It helps every proposal to be discussed in this way, before the group engages in resolving particular concerns.

Section 1.03 Do not allow one concern to become the focus of the discussion. When particular concerns are raised, make note of them but encourage the discussion to move back to the proposal as a whole.

Section 1.04 Encourage the creative interplay of comments and ideas. Allow for the addition of any relevant factual information. For those who might at first feel opposed to the proposal, this discussion is consideration of why it might be good for the group in the broadest sense. Their initial concerns might, in fact, be of general concern to the whole group. And, for those who initially support the proposal, this is a time to think about the proposal broadly and some of the general problems.

Section 1.05 If there seems to be general approval of the proposal, the facilitator, or someone recognized to speak, can request a call for consensus.

Article II. **Call for Consensus**

Section 2.01 The facilitator asks, "Are there any unresolved concerns?" or "Are there any concerns remaining?"

Section 2.02 After a period of silence, if no additional concerns are raised, the facilitator declares that consensus is reached, and the proposal is read for the record.

Section 2.03 At this point, the facilitator assigns task responsibilities or sends the decision to a committee for implementation.

Section 2.04 Any concerns for which someone stands aside are listed with the proposal and become a part of it.

Article III. **Identify Concerns - List All Concerns**

Section 3.01 At this point, only concerns are to be expressed, reasonable or unreasonable, well thought out or vague feelings.

Section 3.02 After all concerns have been listed, allow the group a moment to reflect on them as a whole.

Article IV. **Group Related Concerns**

Section 4.01 At this point, the focus is on identifying patterns and relationships between concerns.

Section 4.02 This short exercise must not be allowed to focus upon or resolve any particular concern.

Article V. **Resolve Concerns - Resolve Groups of Related Concerns**

Section 5.01 Often, related concerns can be resolved as a group.

Article VI. **Call for Consensus**

Article VII. If most of the concerns seem to have been resolved, call for consensus in the manner described earlier. If some concerns have not been resolved at this time, then a more focused discussion is needed.

Article VIII. **Restate Remaining Concerns (One at a Time)**

Section 8.01 Return to the list. The facilitator checks each one with the group and removes ones which have been resolved or are, for any reason, no longer of concern.

Section 8.02 Each remaining concern is restated clearly and concisely and addressed one at a time.

Section 8.03 Sometimes new concerns are raised which need to be added to the list.

Article IX. **Questions Which Clarify the Concern**

Section 9.01 The facilitator asks for any questions or comments which would further clarify the concern, so everyone clearly understands it *before* discussion starts.

Article X. **Discussion Limited to Resolving One Concern**

Section 10.01 Keep the discussion focused upon the particular concern until every suggestion has been offered.

Section 10.02 If no new ideas are coming forward and the concern cannot be resolved, or if the time allotted for this item has been entirely used, move to one of the closing options described below.

Article XI. **Call for Consensus**

Section 11.01 Repeat this process until all concerns have been resolved. At this point, the group should be at consensus, but it would be appropriate to call for consensus anyway just to be sure no concern has been overlooked.

Article XIII. Closing Options

Section 13.01 Send to Committee

(a) If a decision on the proposal can wait until the whole group meets again, then send the proposal to a committee which can clarify the concerns and bring new, creative resolutions for consideration by the group.

Section 13.02 Stand Aside (Decision Adopted with Unresolved Concerns Listed)

(a) When a concern has been fully discussed and cannot be resolved, it is appropriate for the facilitator to ask those persons with this concern if they are willing to stand aside; that is, acknowledge that the concern still exists, but allow the proposal to be adopted.

Section 13.03 Declare Block

(a) After having spent the allotted agenda time moving through the three levels of discussion trying to achieve consensus and concerns remain which are unresolved, the facilitator is obligated to declare that consensus cannot be reached at this meeting, that the proposal is blocked, and move on to the next agenda item.

VERMILION COMMITTEE GUIDELINES

Article I. PURPOSE AND DUTY

Section 1.01 The name of this sub-committee shall be the Northern Lights Area Vermilion Committee (herein referred to as the Committee). The purpose of the Committee is to carry the message of recovery to the still suffering addict by organizing a self-supporting annual retreat to be held on the second weekend in September while providing an atmosphere of recovery, unity, and spiritual growth. It is the duty of the Committee to carry out all its activities in accordance with these guidelines, the Twelve Steps, Twelve Traditions, and Twelve Concepts of Narcotics Anonymous, and the guidelines of the Northern Lights Area of Narcotics Anonymous (NLANA). Per Section 4.03 of the NLANA Guidelines, the Vermilion Chair will be elected by the NLASC body in August for a one-year term commencing in October. The committee will meet from 11:00am to 12:15pm on the same day and at the same location as the NLASC meeting and is open to all NA members.

Article II. MEMBERSHIP, MOTIONS AND VOTING

Section 2.01 MEMBERSHIP

(a) General membership in the committee shall be open to all willing addicts of who share the stated purpose of the committee.
(b) The Chairperson shall be elected at the August meeting of the Northern Lights Area Service Committee (ASC) for one-year tern ending in October.
(c) The remaining trusted servants of the Committee shall be elected by the Committee in December of each year.
(d) In the event of a mid-term trusted servant vacancy (excluding Committee Chairperson), the election to fill that vacancy will be conducted by the existing voting members of the committee.
(e) No trusted servant shall hold the same position for more than two consecutive terms. - In order to maintain the distinction in service between principles and personalities, it is important to observe the practice of rotation. The practice of rotation reinforces the NA emphasis on service rather than the servant, consistent with our belief in the value of spiritual anonymity—what's important is the job being done, not the particular person doing it

Section 2.02 MOTIONS

(a) Motions may be submitted and seconded by members as defined in Article 3.07 of the NLANA Guidelines.
(b) All motions must be submitted in written form to the secretary prior to consideration by the Committee.
(c) The spirit of decision making will be that of consensus as outlined in Attachment B of the NLANA Guidelines, unless otherwise determined by the Chair.
(d) Any motion to change or suspend any portion of these guidelines must be distributed to the NLASC where the NLASC will determine whether a vote will be conducted as follows to Section 7.04 of the NLANA Guidelines.
(e) Any and all motions not called for by the Chair will be submitted in new business.
(f) The Chair has executive discretion to postpone discussion or voting on any motion until the following NLASC.
(g) No two motions shall simultaneously be on the floor at any given time.
(h) Discussion on a motion will only occur after it has been seconded.

Section 2.03 VOTING

(a) The voting participants of the Committee shall consist of all members of the Vermilion Committee present.
(b) Elected participants should have prior experience and/or related skills respective to their position and a working knowledge of the 12 Steps, Traditions and Concepts is essential. Trusted servants should have demonstrated leadership ability as discussed in the Fourth Concept. All elected participants are directly responsible to the Committee
(c) Voting will take place at any regular scheduled Committee or any special Committee meeting that is announced at least one week in advance to all Vermilion Committee members, NLASC GSRs, NLASC Executive and Administrative Committee members.
(d) Nominations shall be open to any member of NA that meets the qualifications of the position as outlined in these guidelines.
(e) All nominees must be present at the time of their nominations to be confirmed for a position.

(f) All nominations require a second, followed by the nominee's acceptance or declination of the nomination.
(g) All nominees will be asked to state their qualifications and answer questions from the Committee.
(h) All elections shall be conducted by written ballot with two volunteers counting the ballots. A nominee must win the election by majority vote. In the case of a tie, a second vote shall be taken after general discussion. The volunteers shall announce the winner without disclosing the ballot count.
(i) Removal of Elected Participants
(i) Through a consensus, the committee may remove any elected participant from his or her position if found unfit as determined by Committee as a whole.
(ii) No elected participant may be removed without cause.

Article III. TRUSTED SERVANTS
Section 3.01 GENERAL INFORMATION
