Striving for an atmosphere of love, mutual respect and frank open discussion within the area meeting.

Greetings from the Area Chair

Greetings from your Area Chair. First, I want to thank you for believing in me and my abilities to serve as your chair this year. I want to take this time to thank all of our outgoing officers for their hard work over the past years. Robin has served as our Area Chair for the past two years has helped facilitate the restructuring of our area at a time when there was discussion of dividing. I know that I have my work cut out for me, so to speak. But I will do my best to keep the forward momentum that Robin has helped us continue over the past two years. Thanks to Patti, for serving as our Area Treasurer for the past two years. She has done a terrific job keeping our financial records in order and will be training Zoey over the next couple of months. Matt, served as our Area Secretary for the past year. He had a full plate; finishing his degree and applying for grad school, but stepped up without hesitation to a position that isn't always easy to fill. To Jaime, who has served over the past seven years in the RCM or RCM-A positions and traveled to the Region every other month. What a huge commitment from her, and because of it, our area has had steady representation for a very long time. And to Caleb who served as our RCM-A and trained over the past year to step up to the RCM position. Your dedication is greatly appreciated. The newly elected Executive Committee met last month to get acquainted and discuss goals for the upcoming year. We are all looking forward to working together with all of you this upcoming year. I'm not sure if we've adopted this as our Mission Statement, but perhaps we should if we haven't. See you all March 21st! In Loving Service,
Nicky F.
